Trusted Criminals David O. Friedrichs, 2007 TRUSTED CRIMINALS WHITE COLLAR CRIME IN CONTEMPORARY SOCIETY is a comprehensive guide that covers topics ranging from the problems involved in studying white collar crimes to the principal focus of the crimes to the character of the legal and criminal justice response to the crime *Trusted Criminals* David O. Friedrichs, 2013-03-01 Controversies in White-Collar Crime Gary Potter, 2014-10-24 Original writings explore the issue of white collar crime and the controversies that surround it focusing on the vastness of state corporate and white collar crime the victimization that results and the ways these crimes affect society environmentally politically economically and personally Encyclopedia of White-Collar and Corporate Crime Lawrence M. Salinger, 2013-06-14 Since the first edition of the Encyclopedia of White Collar and Corporate Crime was produced in 2004 the number and severity of these crimes have risen to the level of calamity so much so that many experts attribute the near Depression of 2008 to white collar malfeasance namely crimes of greed and excess by bankers and financial institutions Whether the perpetrators were prosecuted or not white collar and corporate crime came near to collapsing the U S economy In the 7 years since the first edition was produced we have also seen the largest Ponzi scheme in history Maddoff an ecological disaster caused by British Petroleum and its subcontractors Gulf Oil Spill and U S Defense Department contractors operating like vigilantes in Iraq Blackwater White collar criminals have been busy and the Second Edition of this encyclopedia captures what has been going on in the news and behind the scenes with new articles and updates to past articles **The ^AOxford Handbook of White-Collar Crime** Shanna R. Van Slyke, Michael L. Benson, Francis T. Cullen, 2016-03-01 The Oxford Handbook of White Collar Crime offers a comprehensive treatment of the most up to date theories and research regarding white collar crime Contributors tackle a vast range of topics including the impact of white collar crime the contexts in which white collar crime occurs current crime policies and debates and examinations of the criminals themselves The volume concludes with a set of essays that discuss potential responses for controlling white collar crime as well as promising new avenues for future research *Controversies in White-Collar Crime* Gary W. Potter, 2001-07-01 Original writings explore the issue of white collar crime and the controversies that surround it focusing on the vastness of state corporate and white collar crime the victimization that results and the ways these crimes affect society environmentally politically economically and personally The chapters written for this volume tackle all the major controversies related to white collar crime issues of definition questions of harm and cost conflicts of interest in enforcement and control and questions of public policy **Legal Professionals in White-Collar Crime** Maria Eugenia Trombini, 2023-02-25 This work is dedicated to map the modes of thinking and acting of legal professionals who work in white collar crime Lawyers whose decisions generate economic and political consequences stand at a strategic location between the state and key segments of society This monograph s approach is linked to the foundations of the sociology of knowledge that culture antecedes and anchors social action It starts

by reconstructing the worldviews that legal professionals hold about corruption and its main participants and then advances to examine decision making The author is introducing an innovative dataset comprised of interviews court records and biographical data to investigate Brazilian lawyers 1985 2021 The study s qualitative findings show a professional cognitive pattern that is apolitical and technical and criticizes unskilled people working in the state administration more than businesspeople The dominant mindset understands corporate state relations as a self feeding system that requires qualification and awareness of international trends to counter crime The decision making patterns confirm i that prosecutors and judges prioritize the ends fighting corruption and use existing legislation and organizational resources to secure verdicts ii the asymmetries between how bribe payers and bribe payees are treated **White-Collar Crime** Brian K.

Payne,2011-11-04 **White Collar Crime** A Text Reader incorporates contemporary and classic readings some including policy implications accompanied by original text that provides a theoretical framework and context for students This comprehensive book covers topics including crimes by workers in sales oriented systems crimes in the health care system crimes by criminal justice professionals and politicians crimes in the educational system crimes in the economic and technological systems crimes by employees in the housing industry corporate crime environmental crime explanations of white collar crime and the police and court responses to white collar crime **The Handbook of White-Collar Crime** Melissa L. Rorie,2019-11-12 A comprehensive and state of the art overview from internationally recognized experts on white collar crime covering a broad range of topics from many perspectives Law enforcement professionals and criminal justice scholars have debated the most appropriate definition of white collar crime ever since Edwin Sutherland first coined the phrase in his speech to the American Sociological Society in 1939 The conceptual ambiguity surrounding the term has challenged efforts to construct a body of science that meaningfully informs policy and theory The Handbook of White Collar Crime is a unique re framing of traditional discussions that discusses common topics of white collar crime who the offenders are who the victims are how these crimes are punished theoretical explanations while exploring how the choice of one definition over another affects research and scholarship on the subject Providing a one volume overview of research on white collar crime this book presents diverse perspectives from an international team of both established and newer scholars that review theory policy and empirical work on a broad range of topics Chapters explore the extent and cost of white collar crimes individual as well as organizational and macro level theories of crime law enforcement roles in prevention and intervention crimes in Africa and South America the influence of technology and globalization and more This important resource Explores diverse implications for future theory policy and research on current and emerging issues in the field Clarifies distinct characteristics of specific types of offences within the general archetype of white collar crime Includes chapters written by researchers from countries commonly underrepresented in the field Examines the real world impact of ambiguous definitions of white collar crime on prevention investigation and punishment Offers critical examination of how definitional decisions steer the direction of

Bernie Madoff and the Crisis Colleen P Eren,2023-05-25 A sociological deconstruction of the public response to Bernie

Madoff and his crimes Bernie Madoff's arrest could not have come at a more darkly poetic moment Economic upheaval had plunged America into a horrid recession Then on December 11 2008 Madoff's 65 billion Ponzi scheme came to light A father turned in by his sons a son who took his own life another son dying and estranged from his father a woman at the center of a storm Madoff's story was a media magnet voraciously consumed by a justice seeking public Bernie Madoff and the Crisis goes beyond purely investigative accounts to examine how and why Madoff became the epicenter of public fury and titillation Rooting her argument in critical sociology Colleen P Eren analyzes media coverage of this landmark case alongside original interviews with dozens of journalists and editors involved in the reportage the SEC Director of Public Affairs and Bernie Madoff himself Turning the mirror back onto society Eren locates Madoff within a broader reckoning about free market capitalism She argues that our ideological and cultural tendencies to attribute blame to individuals be they regulators victims or monsters like Madoff distracts us from more systemic critiques Bernie Madoff and the Crisis offers fresh insight into the 2008 crisis whether we have come to terms with it and what we have yet to gain from the case of the century Praise for Bernie Madoff and the Crisis Eren crafts a narrative of Bernie Madoff's crimes as a sweeping comment on our society at large which created and upheld the kill or be killed finance ethos and thereby produced the twenty first century version of a Wall Street serial killer Erin Arvedlund author of Too Good to Be True The Rise and Fall of Bernie Madoff There is important primary data here and a creative analysis Eren makes a notable contribution to the literature on financial crime as well as our understanding of the role that the Madoff case played during an unfolding financial crisis Kitty Calavita University of California Irvine author of Big Money Crime Eren uses massive amounts of media commentary and interviews with journalists and Madoff himself to reveal salient points about the contemporary economy society and its demonology An easy read and an informative one as we continue to sift through the ashes of the financial crisis and our societal stance on white collar crime Michael Levi Cardiff University and author of The Phantom Capitalists and Regulating Fraud [Law, Crime and Deviance since 1700](#) David Nash, Anne-Marie Kilday, 2016-11-17 CHOICE Outstanding Academic Title 2017 Law Crime and Deviance since 1700 explores the potential for the micro study approach to the history of crime and legal history A selection of in depth narrative micro studies are featured to illustrate specific issues associated with the theme of crime and the law in historical context The methodology used unpacks the wider historiographical and contextual issues related to each thematic area and facilitates discussion of the wider implications for the history of crime and social relations The case studies in the volume cover a range of incidents relating to crime law and deviant behaviour since 1700 from policing vice in Victorian London to chain gang narratives from the southern United States The book concludes by demonstrating how these narratives can be brought together to produce a more nuanced history of the area and suggests avenues for future research and study
