The Truth About Style Deluxe Stacy London, 2012-10-02 This deluxe e-book edition of The Truth about Style features 30 minutes of video including an introduction by Stacy London and behind-the-scenes footage of the sessions that were the basis for the book with interviews of the nine women featured and a look at the process by which London transformed each of them. At eleven she suffered from severe psoriasis that left her with permanent physical and mental scars. During college she became anorexic on a misguided quest for perfection. By the time she joined the staff at Vogue London's weight had doubled from binge eating. Although self-esteem and self-consciousness nearly sabotaged a promising career London learned the hard way that we wear our insecurities every day. It wasn't until she found the self-confidence to develop a strong personal style that she finally became comfortable in her skin. In The Truth About Style London shares her own often painful history and her philosophy of the healing power of personal style illustrating it with a series of detailed start-overs with eight real women demonstrating how personal style helps them overcome the emotional obstacles we all face. True Woman 101: Divine Design Mary A Kassian, Nancy Leigh DeMoss, 2012-03-01 What does it mean to be a woman The current cultural ideal for womanhood encourages women to be strident sexual self centered independent and above all powerful and in control But

sadly this model of womanhood hasn't delivered the happiness and fulfillment it promised. The Bible teaches that it's not up to us to decide what womanhood is all about. God created male and female for a very specific purpose. His design isn't arbitrary or unimportant. It is very intentional, and He wants women to discover, embrace, and delight in the beauty of His design. He's looking for True Women. Bible teachers Mary A. Kassian and Nancy Leigh DeMoss share the key fundamentals of biblical womanhood in this eight-week study. Each week includes five daily individual lessons leading to a group time of sharing and digging deeper into God's Word. And to enhance this time of learning together, online videos are available featuring Mary and Nancy as they encourage women to discover and embrace God's design and mission for their lives. A True Woman Book. The goal of the True Woman publishing line is to encourage women to discover, embrace, and delight in God's divine design and mission for their lives. Reflect the beauty and heart of Jesus Christ to their world. Intentionally pass the baton of Truth on to the next generation. Pray earnestly for an outpouring of God's Spirit in their families, churches, nation, and world.

Acculturated Naomi Schaefer Riley, Christine Rosen, 2012-09-01. Contemporary popular culture, from books to film to television to music to the deepest corners of the internet, has provoked much criticism, some of it well deserved. Yet popular culture is culture for many Americans, particularly younger Americans. It is the only kind of cultural experience they seek, and the currency in which they trade. In *Acculturated*, twenty-three thinkers examine the rituals, the myths, the tropes, the peculiar habits, the practices, and the neuroses of our modern era. Every culture finds a way for people to tell stories about themselves. We rely on these stories to teach us why we do the things we do, to test the limits of our experience, to reaffirm deeply felt truths about human nature, and to teach younger generations about vice and virtue, honor and shame, and a great deal more. A phenomenon like the current crop of reality television shows, for example, with their bevy of real housewives, super-size families, and toddler beauty pageant candidates, seems an unlikely place to find truths about human nature or examples of virtue. And yet, on these shows and in much else of what passes for popular culture these days, a surprising theme emerges. Move beyond the visual excess and hyperbole, and you will find the makings of classic morality tales. As the title suggests, readers will find in these pages a Culture Rated. This lively roundtable of raters includes renowned cultural critics like Caitlin Flannigan and Chuck Colson, and celebrated culture creators like the producers of the hit ABC comedy *Modern Family* and the host of TLC's *What Not to Wear*. Editors Christine Rosen and Naomi Schaefer Riley have tasked these contributors, both the critics and the insiders, with taking a step or two back from the unceasing din of popular culture so that they might better judge its value and its values and help readers think more deeply about the meaning of the narratives with which they are bombarded every waking minute. In doing so, the editors hope to foster a wide-reaching public conversation to help us think more clearly about our culture.
