Environmental Science and Information Application Technology David Chan, 2015-06-29 Environmental Science and Information Application Technology contains selected papers from the 2014 5th International Conference on Environmental Science and Information Application Technology ESIAT 2014 Hong Kong 7 8 November 2014 The book covers a wide variety of topics Global Environmental Change and Ecosystems Management Graphic and I **Transforming Universities in South Africa**, 2020-08-31 The idea of transformation in higher education underpins all policy documents academic literature and on going debates in South Africa Transforming Universities in South Africa Pathways to Higher Education Reform responds to the pressing need to comprehensively review the post apartheid experience and assess where South Africa s higher education stands across the continent and globally particularly within the country s efforts to overcome decades of socio economic imbalances It addresses the question of whether South Africa s transformation strategy from apartheid to democracy was simply a symbolic new flag raising and new anthem singing exercise reflecting a transition akin to those limited decolonization projects elsewhere in the world or whether something more fundamental was possible and was achieved with political and policy implications for other countries in Africa and globally This volume s ultimate purpose is to provide a basis for imagining new futures in which South Africa higher education in the context of Africa and the global world takes centre stage **Born in Chains** Clinton Chauke, 2018-05-15 What is it like to be born dirt poor in South Africa Clinton Chauke knows having been raised alongside his two sisters in a remote village bordering the Kruger National Park and a squatter camp outside Pretoria Clinton is a young village boy when awareness dawns of how poor his family really is there s no theft in the village because there s absolutely nothing to steal But fire destroys the family hut and they decide to move back to the city There he is forced to confront the rough and tumble of urban life as a bumpkin He is Venda whereas most of his classmates speak Zulu or Tswana and he has to face their ridicule while trying to pick up two or more languages as fast as possible With great self awareness Clinton negotiates the pitfalls and lifelines of a young life crime and drugs football religion friendship school circumcision and ultimately becoming a man Throughout it all he displays determination as well as a self deprecating humour that will keep you turning the pages till the end Clinton s story is one that will give you hope that even in a sea of poverty there are those that refuse to give up and ultimately succeed *New Forms of Urban Agriculture: An Urban Ecology Perspective* Jessica Ann Diehl, Harpreet Kaur, 2022-02-18 Eating locally and developing an urban rural food continuum is a rapidly evolving movement Integration of multi functional forms of agriculture termed New Forms of Urban Agriculture NFUA could be a critical adaptation to strengthen this movement and for the sustainability of cities While NFUA have the potential to provide diverse benefits to humans there is an absence of reliable empirical data on the scale and impact of urban resources on NFUA which has a profound impact on its viability and sustainability In this book we shift the focus from how NFUA have potential to impact the urban system to investigate the potential impacts of urban

resources on NFUA Access to resources such as land labour clean water etc are major barriers to enter the agriculture sector in the cities the chapters in this book present projects or reviews recent research on the subject from different cities in the world This edited volume offers critical perspectives from diverse disciplines expertise and geographic contexts related to the actual and potential role of urban and peri urban agriculture in the developing and the developed world where forms adaptations and debates around NFUA vary distinctively Using and urban ecology lens the book provides empirical evidence of how urban resources of land water waste labour and biodiversity impact NFUA
