TUT Transformation Framework 2017 Tshwane University of Technology, 2018 **The Relevance of Academic Support at Tshwane University of Technology** Serole Selina Ramapela, 2007 *Analysis of Factors that Affect the Efficient Utilisation of the Online Enrollment Plan at the Tshwane University of Technology* Siphiwe Maseepe Salome Xaba, 2015 All universities and colleges have physical or traditional admission and registration systems in place In addition some partially automated systems like course registration where current students have to login and electronically enroll in courses of interest are also in use Some major admission process however are still not fully automated An online enrollment system was introduced at the Tshwane University of Technology TUT in 2006 with a view to enable students to apply and register online and acquire valuable information from databases that belong to the Registrar's Office at TUT Since 2006 the online system of registration at TUT has been improved in phases The online system of registration is designed in order to enable students to register for subjects prior to the commencement of their semesters The aim of his study is to assess how effectively students utilize the online system of enrollment at TUT The impact of an introduction of and transition to a self service administration module will be discussed with regard to customer satisfaction **Research and development** Tshwane University of Technology, 2005 **Innovation at the Tshwane University of Technology** Pontso Ezekiel Ralepeli, 2008 **Managing Change in the Student Affairs Division at the Tshwane University of Technology** Thinamaano Elikanah Lumadi, 2009 **Master's Student Throughput at the Tshwane University of Technology** Marisa Frouws, J. A. Watkins, Tshwane University of Technology. Business School, 2007 Currently one of the most serious challenges faced by South African Universities is the fact that less than a quarter of tertiary students graduate after five years The objective of this research study is to determine the various reasons why master students do not complete their studies in the prescribed time duration It is predicted that the outcome of this research will point to the fact that there is a positive correlation between proposal formulation supervisor support and other associated factors and the success of masters students Strategic Enrolment Management at the Tshwane University of Technology Robinson Mason, 2006 Acquisition and Usage of Wireless Internet Products and Services by Higher Education Students in Tshwane Edwin Setebe, 2011 This study focuses primarily on the decision making of students in the acquisition and usage of wireless internet products and services in the Tshwane Metropolitan area Curriculum Development for Northern Sotho in Journalism Studies Dorothy Nyembe, 2016 The study focuses on curriculum development for northern sotho in journalism studies It is a case study at a university in Gauteng province The course Journalism studies offers sotho North level 1 130T as an additional subject which is the third language taught to train students to communicate Prospectus 2016 34 The primary aim of the study was to determine if students would be able to communicate effectively in Sotho North level 1 at the end of the year The main problem focused on in this study was the writing skills The researcher used a moderate social constructivist lens to

emphasise the role of caregiving in communication and equipment of the students when learning sotho North level 1 Tailoring the curriculum to the students needs forms part of the lecturers endeavour to support the students The study investigated the causes of the challenges the participating journalism students experienced The findings of scholars and their recommendations highlight that time allocation for learning a third or second language should be extended to a longer period in order to ensure the needed basic communication skills

Tshwane University of Technology: School for the Performing Arts Emile Paulsen, Tshwane University of Technology, 2008 The aim of this dissertation is to design a School for the Performing Arts for the Tshwane University of Technology on a site in the Oeverzicht Arts Village which lies within the Mandela Development Corridor in Pretoria The main intention is to create a building of regional significance which contributes towards inner city regeneration and on a more individual level to encourage the cultural discovery of a broad spectrum of society through a medium to which we can all relate the Performing Arts
