The Madhouse Cookbook Jo Pratt, 2013-03-01 Oh how Jo Pratt's life has changed over the last few years. Gone are the days of spending a day or two preparing for elaborate dinner parties using ingredients she hunted down in back street markets and fancy deli shops. That was all pre-children. Now things are very different. She's a busy mum who has to juggle work, children and all the associated chaos. She lives in a madhouse. Bestselling author Jo has devised a cookbook full of delicious and healthy food that addresses one of the most challenging problems experienced by busy parents: finding time to cook meals for their family. The recipes are simple, easy to shop for and quick to make with shortcuts and prepare-ahead tips. But there's much more to the book than this: there are also Lifesaver mini-recipes that give you staples for your freezer and store cupboard and Leftovers mini-recipes too to show you how to be clever and get more value out of time spent in the kitchen. There are three chapters: Monday to Friday Survival, Busy Weekends and Cling onto your Social Life. These chapters feature recipes for every meal and eventuality, including weekday kids' tea-time recipes that will go down a storm, dinners that will wow your friends and Sunday lunches to make the most of those precious moments of relaxation with your family.

We all know that it is critical for kids to develop sound eating habits at a young age to set them up for a lifetime of good health. However, as any time-crunched parent will tell you, it is all too easy to give in to your child's refusal to eat anything but chicken fingers and French fries. Children's food expert Annabel Karmel is here to help with 135 fast, yummy and nutritious recipes that will tempt even the fussiest eaters. In *The Fussy Eaters Recipe Book*, Annabel shows how to sneak fruits and vegetables into child-friendly recipes to boost their nutritional content. Her Bolognese pasta sauce is packed with five different kinds of veggies and tastes just like the kids' menu favorite. But Annabel also believes that it's important for kids to learn to actually like healthy meals. An expert on the mind-set of fussy eaters, she provides sound strategies that can coax even the pickiest child to try new foods. You'll be amazed that salmon, sweet potatoes and even spinach can develop into foods that your child will want to eat and, before you know it, mealtime will actually be something the whole family looks forward to.
