Tunnel In The Sky:

Tunnel in the Sky Robert A. Heinlein, 2005-03-15 High school students enter a time gate to an unknown planet for a survival test but something goes wrong and they have to learn to survive by their own resourcefulness Tunnel in the Sky Robert Anson Heinlein, 1985 What was to have been a standard ten day survival course had become an indefinite life or death nightmare A group of young people were stranded somewhere in the universe beyond contact with earth They were being forced to forge a future where sometimes not even the fittest could survive Tunnel in the Sky Robert Anson Heinlein, 1968

Tunnel in the Sky , Virtual and Adaptive Environments Lawrence J. Hettinger, Michael W. Haas, 2003-06-01 With contributions from a collection of authors consisting of many recognizable experts in the field of virtual and adaptive environments as well as many up and coming young researchers this book illustrates the many ways in which psychological science contributes to and benefits from the increased development and application of these nascent systems Discussing issues from both a user and technology based standpoint the volume examines the use of human perception cognition and behavior The book builds a foundation on the assumption that these systems are first and foremost human centered technologies in that their purpose is to complement and extend human capabilities across a wide variety of domains

Flight Test Comparison of Synthetic Vision Display Concepts at Dallas/Fort Worth International Airport Louis J. Glaab, 2003 **Engineering Psychology and Cognitive Ergonomics** Don Harris, 2020-03-26 This book is the third in the series and describes some of the most recent advances and examines emerging problems in engineering psychology and cognitive ergonomics It bridges the gap between the academic theoreticians who are developing models of human performance and practitioners in the industrial sector responsible for the design development and testing of new equipment and working practices **The Clearing** Judy Romero, 2019-09-19 A fictional story based on mysteries of the afterlife ascended masters life after death absence of time and all things in between A beautiful meadow in a clearing in the woods An ugly pit of darkness and fear What mysteries do they hold Young Eva Carson faces these questions in a long summer in May visiting her grandparents cabin on the majestic Grand Mesa in Colorado Her reality is questioned when she is confronted by numerous unexplained phenomena embarking upon her stable life Soon she is engulfed in a torrent of mysteries and struggling for a sanity she believed she already possessed All is chaos when she soon discovers life is a massive question mark of fear but all questions are answered at one time or another **Human Performance Modeling in Aviation** David C. Foyle, Becky L. Hooey, 2007-12-07 Based on the research activities of the six year NASA human performance modeling project Human Performance Modeling in Aviation provides an in depth look at cognitive modeling of human operators for aviation problems This book presents specific solutions to aviation safety problems and explores methods for integrating human performance modeling into the aviation design process The text compares the application of five different models to two classes of aviation problems pilot navigation errors during airport taxi operations and approach and landing performance

with synthetic vision systems This results in a comprehensive summary of the capabilities of each model and of the field in general

Womb of Monsters Thomas Aiello, 2001-11-22 In the late sixties a rogue psychiatrist created a gated community of mental patients called Yesterday utilizing some revolutionary mental health techniques When Orson Littlefield is sent to the Yesterday mental facility he is introduced to a new medication that makes his delusions come to life His next door neighbor who is actually just another part of his delusion becomes enraged when Orson kicks yet another figment of his imagination into her yard She then promptly murders him with a nuclear warhead Meanwhile the antichrist a Louisiana bunny rabbit rises to power and seduces the world One testament later a high school football star takes on the persona of savior for a sports starved small town His life is naturally replete with miracles disciples a donkey and plenty of sex Interspersed throughout are the author's own attempts to come to terms with the fact that all the characters in his story are just figments of his imagination Newspapers come to life girlfriends evaporate and various characters throughout are stricken with stigmata A social commentary religious satire and absurdist comedy that examines the fine line between imagination and reality come look inside the womb of monsters
