Cook Once, Eat All Week Cassy Joy Garcia, 2019-04-23

Cook Once Eat All Week is a revolutionary way to get a delicious, healthy, and affordable dinner on the table. FAST Author Cassy Joy Garcia will walk you through this tried and true method and show you how batch cooking a few basic components can give you an entire week's worth of dinners with minimal time and effort. Have you ever tried a meal prep plan before and gotten so excited about having your cooking for the week done ahead of time only to find yourself totally exhausted after a full day in the kitchen, shocked by your grocery bill, and tired of the same leftovers by Tuesday? Cassy Joy Garcia had been there too. As a mom, business owner, and Nutrition Consultant, she needed to get a healthy, affordable, and tasty dinner on the table fast every night, and she knew there had to be a better way to do it. She finally cracked the code when she discovered that by batch cooking a protein, starch, and vegetable each week, she could easily assemble three fresh, diverse meals in minimal time. After years of her readers asking her for better meal prep strategies and easy recipes, she released 4 weeks of recipes on her blog, Fed and Fit. Since then, tens of thousands of people have made and raved about the series and begged for more. In this book, you'll find 26 weeks of affordable, healthy, delicious meals that your family will love eating, and a chapter full of bonus 20-minute meals. Optional Instant Pot and slow cooker instructions are included to get you even more time back in your week. With a Real Food foundation, the weeks in this book aim to support dietary approaches that cover gluten-free, dairy-free, Paleo, low-carb, egg-free, kid-friendly, and more. Three simple ingredients like shredded pork, potatoes, and cabbage are turned into these three easy-to-assemble meals: Honey Mustard Pork Sheet Pan Dinner, Enchiladas Verde Casserole, and Sloppy Joe Stuffed Potatoes. This book is a must-have for anyone looking for a REAL solution to help them eat healthfully while also saving time and money and loving what they are eating.

Red Sauce Ian MacAllen, 2022-04-04

Tells the story of Italian food arriving in the United States and how your favorite red sauce recipes evolved into American staples. In **Red Sauce**, Ian MacAllen traces the evolution of traditional Italian-American cuisine, often referred to as red sauce Italian, from its origins in Italy to its transformation in America into a new, distinct cuisine. It is a fascinating social and culinary history exploring the integration of red sauce food into mainstream America alongside the blending of Italian immigrant otherness into a national American identity. The story follows the small parlor restaurants immigrants launched from their homes to large popular destinations and eventually to commodified fast food and casual dining restaurants. Some dishes like fettuccine Alfredo and spaghetti alla Caruso owe their success to celebrities, and Italian-American cuisine generally has benefited from a rich history in popular culture. Drawing on inspiration from Southern Italian cuisine, early Italian immigrants to America developed new

recipes and modified old ones Ethnic Italians invented dishes like lobster fra Diavolo spaghetti and meatballs and veal parmigiana and popularized foods like pizza and baked lasagna that had once been seen as overly foreign Eventually the classic red checkered table cloth Italian restaurant would be replaced by a new idea of what it means for food to be Italian even as red sauce became entrenched in American culture This book looks at how and why these foods became part of the national American diet and focuses on the stories myths and facts behind classic and some not so classic dishes within Italian American cuisine
