Like a Bat Out of Hell Mick Wall,2017-11-16 A passionate pacey tome you should do anything for a copy of Kerrang I never wanted to be a big star I just wanted to be the biggest at what I do Powerful unstoppable heavy when that word still meant something good Meat Loaf as told to Mick Wall Everything in the story of Meat Loaf is big From the place he was born Texas to the family he was born into his father weighed 22 stone his uncle weighed over 40 stone while Meat Loaf himself weighed 17 stone before he was even in his teens to the sound he made a colossal collision between Richard Wagner Phil Spector and Bruce Springsteen and of course the records he sold nearly 50 million in Britain and America alone From a tumultuous childhood with an alcoholic father to the relentless abusive bullying he endured nobody could have predicted Meat Loaf's meteoric rise to fame But when the messianic rock opera *Bat Out of Hell* was released in 1977 it became one of the biggest albums of all time selling over 45 million copies worldwide to date Its release marked the start of a rollercoaster ride of incredible highs and seemingly career ending lows By the 80s Meat Loaf was battling with drug and alcohol addiction and escalating money problems But just when it seemed like it was all over the astonishing success of *Bat Out of Hell II* and the mega hit *I'd Do Anything For Love But I Won't Do That* marked an extraordinary new wave of success Now Mick Wall will bring this extraordinary story up to date drawing on the hours he spent with Meat Loaf both in interviews and on tour as well as offering up a unique insight from those who have known him
