William Shakespeare

Turn Around An Erotic Tale Of Female Domination English Edition:

Yes, Mistress Alicia Zadig, 2021-10-26 Leading Dominatrix and BDSM expert Alicia Zadig takes you on a provocative eye opening journey into the erotic world of Female Domination and male submission Zadig explains the psychology behind male submission and answers the question Why do men crave surrendering to a dominant woman Hear from the men themselves as they reveal their most intimate desires Learn why so many secretly fantasize about being dominated by a woman Delve into their experiences with Dominatrices and see what keeps them coming back for more *Yes Mistress* shines a spotlight on the everyday men who seek to explore their submissive fantasies an aspect of sexuality that often goes unacknowledged despite a long history and deep psychological roots Set at the crossroads of psychology culture history and media this book challenges society's perception of BDSM kink and fetish Male submission is more common than you think and more rewarding than you can imagine

She's Out Of Your League Teejay LeCapois, 2014-09-12 A look at the lives of three university educated young Black Canadian men who refuse to let fate and circumstance stand in the way of their search for love and success Star athlete Lucas Boudreau seduces Afaf Al Qubail a gorgeous Saudi Arabian divorcee he meets at Carleton University Closeted bisexual nerd Julius Pierre is swept off his feet by gorgeous blonde Alexandra Hamilton who accepts him for who he is Interracial love is in the air The problem is Alexandra is kind of controlling and has a truly dark past Gerard Duchene relentlessly pursues shy Berber cutie Shaima Merbah who falls for him Hard His feelings for her surprise him Is this lifelong Catholic ready to embrace Islam for the love of a good woman Three timely tales about contemporary Black male life and romance in North America

Feminist Popular Fiction M. Makinen, 2001-09-25 An examination of feminist writers appropriation of a range of popular genres detective fiction science fiction romance and the fairy tale The author argues that feminists can successfully appropriate all four genres because genres as cultural productions have accommodated the cultural changes brought about by second wave feminism The book provides a history of each of the genres reinstating women's contributions in those histories and a comprehensive review of the feminist critical debates on each of the genres

Image and Power Sarah Sceats, Gail Cunningham, 2014-09-11 *Image and Power* is an important work of literary and cultural criticism This collection of essays focuses on some of the major issues addressed by women's writing in the twentieth century concerning genre subjectivity and social and cultural expectations issues which in the past have been regarded from an essentially male perspective The text introduces women writers whose novels have been widely read and provides an important contribution to the debate about women in literature

Fascist Modernities Ruth Ben-Ghiat, 2004-03 This cultural history of Mussolini's dictatorship discusses the meanings of modernity in interwar Italy The work argues that fascism appealed to many Italian intellectuals as a new model of modernity that would resolve the European crisis as well as long standing problems of the national past

Radical Feminist Therapy Bonnie Burstow, 1992-10-08 This is an interesting book It may be useful for those who have not followed the debate on the

experience of women in psychiatric services It provides useful information on ways of working with more disturbed women These are women whom psychiatric services often avoid or at least with whom they do little constructive work The emphasis on offering therapy to these women instead of a bed in an institution was refreshing Andrea Bennett in Clinical Psychology Forum How can counselors and clinicians help empower women in a sexist racist and homophobic society How can they help women reclaim their bodies Or repair their violated bond with womenkind Taking feminist therapy one step further this enlightening volume focuses on a central problem in our society violence against women and explores practical feminist ways of working with women s responses to it depression cutting splitting troubled eating and protest Radical Feminist Therapy explores issues that are usually either omitted or pathologized in generalist feminist counseling texts such as women battered by their pimps women who self mutilate and psychiatrized women Other topics covered are working with lesbians American Indian African American Jewish and immigrant women women with disabilities working with heterosexual couples sexual violation by therapists and working with suicidal clients A list of recommended readings follows each chapter Radical Feminist Therapy addresses the needs of both students and practitioners in the areas of psychology counseling social work and women s studies who desire a comprehensive enlightening text they will refer to again and again Burstow s book should prove very useful as a resource for practitioners in a wide variety of areas dealing with violence against women The first part of the book presents the theoretical foundations the remaining 12 chapters integrate theory and practice Written from a well articulated radical feminist position the text is grounded in structuralist theory that situates problems in living within the systematic oppressions of classism sexism and racism Respect for women and for their right to make their own decisions in therapy permeates the text Choice This book fills a gap in the literature addressed by no other publication I have seen There are numerous theoretical books on feminist counseling or therapy But I have seen nothing which moves from theory to clear practical suggestions on what to do and how to do it when working with women on different problems Bonnie begins by presenting a clear feminist framework in which she sees violence against women in our society as the central problem in all women s lives She explains how this core issue plays itself out in different areas of women s lives and how it is central to the personal problems women struggle with She then goes on to give practical concrete suggestions about how to actually work with women in therapy She warns readers of common pitfalls and how to avoid them It is an extremely cohesive and useful piece of work Linda Advokaat Feminist Counselor Sessional Instructor Carleton University Ottawa Canada As a presentation of theory translated into casework this is the best I have seen in its field a deft integration of politics and philosophy made relevant and workable in the chosen context Counselling

The Routledge Queer Studies Reader Donald E. Hall, Annamarie Jagose, 2012-06-04 The Routledge Queer Studies Reader provides a comprehensive resource for students and scholars working in this vibrant and interdisciplinary field The book traces the emergence and development of Queer Studies as a field of scholarship presenting key critical essays alongside more recent criticism that explores new directions The collection

is edited by two of the leading scholars in the field and presents individual introductory notes that situate each work within its historical disciplinary and theoretical contexts essays grouped by key subject areas including Genealogies Sex Temporalities Kinship Affect Bodies and Borders writings by major figures including Eve Kosofsky Sedgwick Judith Butler David M Halperin Jos Esteban Muñoz Elizabeth Grosz David Eng Judith Halberstam and Sara Ahmed The Routledge Queer Studies Reader is a field defining volume and presents an illuminating guide for established scholars and also those new to Queer Studies

Harems of the Mind Ruth Bernard Yeazell, 2000-01-01 In a nuanced reading of Ingres's Bain turc and other works Yeazell concludes that for some the appeal of the harem lay in the fantasy of eluding time and death
