Turnaround Journey Discovering A Path For Effective Church Leadership:

Turnaround Journey George L. Yates, 2015-01 **Turnaround Journey** George L. Yates, 2015-01 George Yates is a church health strategist and founder of SonCARE Ministries assisting churches across North America. He is a successful practitioner with ministry experience serving on staff and alongside churches to strengthen leadership, discipleship, and strategic planning and implementation for effectively carrying out the Great Commission. Embedded in this story are important principles about actually leading a church to plan and implement strategic change. There are many theoretical books on how to do this, but sadly not too many on how to really get it done. If you are discouraged by theoreticians and frustrated by failed efforts, check out the insights in this book as a roadmap to practical change in your church. Dr. Jeff Iorg, President, Golden Gate Seminary, *Turnaround Journey* is an excellent handbook for all leaders in the church: ministers, teachers, staff, as well as lay leaders. George Yates does a fantastic job of laying out the tools and techniques for leadership and problem solving in the church. In reality, many of the insights are really not limited to churches; really applicable to a Christian leader of any organization. I'm going to borrow some of the analogies and approaches for use at work. Syd Garrett, Director of Compliance, Fortune 100 global telecommunications company. In *Turnaround Journey*, George Yates gives insight into leadership development that is applicable in the church, family, and corporate world as well. These principles are Biblically based and practical. Anyone desiring to become a more effective leader will benefit from this book. Larry Wynn, Vice President, Church Revitalization, Georgia Baptist Convention. Many churches and organizations plan, but there is a large difference between planning and strategic planning that leads to implementation for effective ministry. Follow the story of Pastor Tim Farling and 4Cs church as they learn a clear and easy-to-follow strategic planning process with techniques for effective and successful implementation. The formula in this book helps leaders and teams narrow their focus, spending their time on those things that will bring the highest results for the church or organization. In addition, the reader will find more than thirty helpful insights for productive leadership in any area of life. **Church, Come Forth** Todd Hudnall, 2015-10-02. The majority of American churches are stalled or in decline. *Church Come Forth* is a strategic model for renewing and revitalizing plateaued and dying churches into prevailing and growing congregations. Todd Hudnall combines Biblical insights, church revitalization research, and his experience as a turnaround pastor to provide a guidebook for transformation. It is God's desire to renew His church, and most church leaders will find this plan a Godsend in effectively revitalizing their congregations. Steve Pike, Director of the Church Multiplication Network, says: "Three words came to mind when I read *Church Come Forth* by Todd Hudnall: Biblical, Practical, Real. Biblical. A book about God's Church would be useless if not filled with wisdom from God's Book. Hudnall carefully makes the Biblical case for revitalization, unpacking scripture after scripture to lay a firm foundation for why and how a drifting church can once again join God on His mission. Practical. Todd Hudnall is a seasoned and successful practitioner whose walk aligns with his talk. His counsel is based on the best research and his actual

experience of applying that research As a result Church Come Forth is loaded with great advice that is tried and true Real Todd s honesty about his personal growing pains is refreshing His diverse experience in churches small and large make his counsel relatable to every pastor He writes as a pastor friend writing to a pastor friend Church Come Forth is a must read for every leader of a plateaued or declining church **Remissioning Church** Josh Hayden,2025-04-15 Rediscover Your Church s Mission Many churches are struggling to connect with their communities and are facing a decline But there s hope God is inviting His church to be reborn from the inside out transforming into a new missional presence that brings life and flourishing to their neighborhoods Using inspiring vision practical tools and field tested methods pastor Joshua Hayden offers church leaders solutions for resurrecting their congregations If you re a church leader longing to bring your declining church back from the brink Remissioning Church is your essential companion that outlines the path of inside out transformation through discipleship while focusing on serving your neighbors and the world God is inviting your church to a new beginning Remissioning Church is the guide you need to answer that call and lead your congregation into a future filled with purpose and mission *New Hampshire Off the Beaten Path*® Barbara Rogers,Stillman Rogers,2019-03-01 Tired of the same old tourist traps Whether you re a visitor or a local looking for something different New Hampshire Off the Beaten Path shows you the Granite State you never knew existed Follow a nature trail marked with verse at the Robert Frost Homestead Taste authentic open pit BBQ at the Yankee Smokehouse Discover the history of skiing at the New England Ski Museum So if you ve been there done that one too many times get off the main road and venture Off the Beaten Path New York Magazine ,1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Assaulting the Gates Rev. Paul D. Borden,2011-12-01 Learn the Big Picture approach that will aim your congregation at the mission field in your back yard or around the world Many churches want to make the transition from an inward to an outward focus from catering to the needs of members to reaching out into the world to make disciples of Jesus Christ Too often they try to accomplish this radical change by taking half steps and partial measures initiating a new program here or adding a new staff members there Yet this kind of change requires more To succeed in changing its core focus this way a congregation must learn strategic thinking it must commit itself to seeing the big picture and to taking the steps necessary to paint that picture afresh Everyone including pastors lay leaders key teams and groups and the congregation as a whole must be involved in a process of transformation Paul D Borden author of Hit the Bullseye and Direct Hit knows that this transformation will not be easy But if the target is bringing more people into saving relationship with Jesus Christ what could be more worthwhile Mother Jones Magazine ,1992-03 Mother Jones is an award winning national magazine widely
