

### Pre-Season Letter to Parents

Dear Parent:

Welcome to Bonita Matrix of AYSO Region 116. Your child has tried out and has been selected to play in our soccer club in a more challenging environment. This program will allow players with similar abilities and skill development to play in more competitive games.

One of the factors critical to the success of the program is sideline behavior. Bonita Matrix has clearly defined expectations for spectators. Please read and follow the *Parents Code of Conduct*. This program needs the combined positive efforts of all participants to be successful. This form is to be completed and returned prior to your child attending his/her first practice or to the Parent Orientation meeting, whichever is sooner.

If you have any questions regarding this program, please contact our Director of Coaching (Anthony Johnson) at: [anthony.johnson@cox.net](mailto:anthony.johnson@cox.net)

Sincerely,

Coach John/Jane Doe

Fairly Odd Mother Kelly Kazek, 2009-08. *Fairly Odd Mother: Musings of a Slightly Off Southern Mom* is award-winning journalist Kelly Kazek's skewed and hilarious view of various aspects of life from raising a daughter as a single mom to life in a small town to popular culture. I felt I had a lot of wisdom to impart to my daughter like: "Never let a man see you put on control top panty hose or for that matter take them off. Someone could get hurt from the column." Moms get dumber as teens age. The idea of drinking a bovine pee cola gives a whole new meaning to those old Peter Frampton lyrics: "I'm in you, urine me." At least I think that's how they went. Plus it makes you give those Red Bull ingredients a second glance from the column. Try an ice-cold Cow-ca Cola. Guys at this point have likely picked up on the more obvious to guys mystery in this whole incident: Where does a naked woman put 40,000 in jewelry? Pause while we all ponder this and if

this man was paying 100 per hour to have a naked woman in his house why wasn't he watching her I imagine to some this would seem wasteful from the column Nude maid strips man of self respect What readers are saying Kelly Kazek has a most delightful writing style and a wry sense of humor Jim G Phoenix Arizona I've never written to a newspaper columnist before but I had to write to tell you how much I enjoyed your column Rarely does anything make me laugh out loud but your column did Martha C Leeds Alabama I burst out laughing several times Linda S Whiting New Jersey If a new column's not there by Monday I start to get the shakes Michael P Milledgeville Ga **ERS Spectrum** ,1993 **So You Want to Play College Soccer** Anthony J. Buchler,2008 Visit My Website During my 20 years of involvement in youth soccer with both boys and girls teams I am often asked by parents and players as they enter high school what's the best way to get seen by college coaches and how to get scholarships Before the youth soccer craze hit 15-20 years ago not many high schools had quality soccer programs Today most of the players on high school teams are probably club and travel soccer players and presently there are many more high schools and colleges supporting soccer programs than ever before This has been a good thing for college soccer programs because more and more skilled players are now available to recruit There are even some premier clubs that tend to discourage or not allow their players to play high school soccer There are mixed emotions about this but it also depends on what level you are playing at Many colleges in a regional area are now competing for the same players If you are serious about playing college soccer there may be several opportunities out there for you if you do the proper research and prepare in advance Many fine young soccer players are overlooked each year because they didn't contact or submit their soccer resume to the right colleges left out very important information or waited until it was too late It is also a fact that many colleges simply don't allocate all of their soccer recruiting funds because athletes didn't get in touch with them SO YOU WANT TO PLAY COLLEGE SOCCER will help the prospective college student athlete with the process of researching contacting and selecting a college that's right for them **The Complete Idiot's Guide to Soccer Basics** Sam Borden,2009-02-03 The ultimate resource for getting on the ball The Complete Idiot's Guide to Soccer Basics explains anything and everything a parent or new coach needs to know to understand the game and make the most of a child's soccer experience From the rules of the game to playing techniques this is a one volume course for parents and children to score winning goals Since 1974 total individual participation in U.S. soccer programs has grown from 100,000 to more than 3 million primarily young players between the ages of 6 and 14 Most parents of today's youth soccer players didn't play soccer themselves growing up and will welcome this reference book Includes game strategies and practice techniques for every player position Preventing Childhood Obesity Elizabeth Waters,Boyd Swinburn,Jacob Seidell,Ricardo Uauy,2011-08-24 Obesity is one of the biggest public health challenges in the 21st century Devising effective policy and practice to combat childhood obesity is a high priority for many governments and health professionals internationally This book brings together contributors from around the world and showcases the latest evidence based research on community and policy interventions
