Welcome Sky Soldiers Letters Home from Vietnam Mike Walker, 2022-05-23 The author decided over a forty year period to write about his experiences in South Vietnam with the Fourth Battalion 503rd Airborne Infantry His parents had managed to save every letter he had sent home during that time What Mike decided to do with the help of his oldest granddaughter Sierra was to reproduce the letters in chronological order with all the grammatical errors misspellings and fractured sentences as is The letters were often written in harsh jungle conditions under duress with pencil and often wet paper He felt it would help convey somewhat the terrible conditions he and his fellow members of the herd were constantly under Under each reproduced letter he then wrote of happenings during that time a diary of sorts He also concluded he would not spend much time with the blood and guts but devote the majority of the work to the everyday goings on both funny and serious The book begins with time spent in West Germany before moving on to South Vietnam During the height of the war more and more paratroopers were needed to fill the ranks of the fallen and discharged so the Army started a second jump school the original being at Fort Benning Georgia at Weisbaden Airforce Base West Germany He was then sent halfway around the world to South Vietnam and the rest is history
