Enforcement Annual Report: 2002, **West Australian Football Golden Era 1984-86** Kieran James, 2017-11-23 This book is the memoir of Kieran James and details his experiences as co-founder of West Perth Football Club's unofficial cheer squad from 1984 to 1986. The book details traditional hot support for West Perth Football Club among teenaged supporters from middle class and working class backgrounds. The book shows how because of neo liberal ideologies and the corporatization of football, the new national league, the expanded VFL/AFL, relegated the WAFL to a second tier league in 1987. This move took place over the heads of ordinary football supporters and two WAFL club presidents. Moves to bring the game closer to the people in 1984 such as holding the best and fairest award count night at Perth Entertainment Centre should be seen in this light. This book will allow supporters to relive great teams, great players and great matches from a wonderful era in WA football 1984-86 before West Coast Eagles joined the expanded VFL. The Privileged Few Clive Hamilton, Myra Hamilton, 2024-05-09 Male and white privilege are on the decline yet elite privilege has gone from strength to strength The privileges enjoyed by the rich and powerful are not only unfair but cause widespread harm from the everyday slights and humiliations visited on those lower down the scale to the distortions in the labour market when elites use their networks to secure plum jobs not least in new domains such as professional sports In this book Clive Hamilton and Myra Hamilton show that elite privilege is not a mere by-product of wealth but an organising principle for society as a whole They explore the practices and processes that sustain legitimise and reproduce elite privilege and show how we are all implicated in the system both facilitating it and tolerating its harmful effects Building on their original fieldwork and a wide range of other sources the authors paint a vivid picture of the micropolitics of elite privilege highlighting in particular the vital role played by exclusive private schools Ranging across topics as diverse as glamour suburbs philanthropy Rhodes scholarships and super yachts *The Privileged Few* delves beneath attempts at concealment to expose how the elites keep getting away with it
