Western Civilization, Volume 2 Brief, Third Edition and Geoquest CD-ROM Perry,1997-01-01 *The Shaping of Western Civilization, Volume II* Michael Burger,2013-12-16 Michael Burger's goal in this inexpensive overview is to provide a brief historical narrative of Western civilization. Not only does its length and price separate this text from the competition but its no frills uncluttered format and well written one authored approach make it a valuable asset for every history student. The Shaping of Western Civilization From the Reformation to the Present begins with the Reformation and ends with globalization. Unlike other textbooks that pile on dates and facts Shaping is a more coherent and interpretive presentation. Burger's skills as writer and synthesizer will enable students to obtain the background required to ask meaningful questions of primary sources. In addition to suggestions for further reading this overview includes over 20 images and 11 maps.

Roger Greene,2023-07-21 The legacy of Paul looms large in all Christian theology. While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix. The work *Theology of Paul the Apostle* is presented in two parts. Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel.

of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco-Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world **Research in Education**
