Brain Damage Steven Henry,2024-06-24 Some scars run deeper than others Detective Erin O'Reilly is no stranger to close calls She and her K 9 Rolf have dodged more than their share of blades blasts and bullets as they've taken on the worst New York City has to offer But the last perp came a little too close leaving one of

Erin's fellow officers with a bullet hole in his head and her own brain scrambled Erin needs a break but as her long running infiltration of the O Malley gang enters its final act she can't afford to slack off And that's not her only headache When a former convict turned pizza deliveryman has his skull crushed in a college parking garage an apparent mugging may be something much more sinister Banging her head against one problem after another Erin faces obstacles both on the street and in herself She'll have to break through to the answers before her own brain lets her down **Yes, I Could Care Less**

Our Army, 1928 [Dummy Up And Deal](#) H. Lee Barnes, 2002-08-01 The glitter and excitement that tourists associate with casinos is only a facade To the gaming industry's front line employees its dealers the casino is a far less glamorous environment a workplace full of emotional tension physical and mental demands humor and pathos Author H Lee Barnes who spent many years as a dealer in some of Las Vegas's best known casinos shows us this world from the point of view of the table games dealer Told in the voices of dozens of dealers male and female young and old *Dummy Up and Deal* takes us to the dealer's side of the table We observe the breaking in that constitutes a dealer's training where the hands learn the motions of the game while the mind undergoes the requisite hardening to endure long hours of concentration and the demands of often unreasonable and sometimes abusive players We discover how dealers are hired and assigned to shifts and tables how they interact with each other and with their supervisors and how they deal with players the winners and the

losers the Sweethearts and the Dragon Lady the tourists looking for a few thrills and the mobsters showing off their juice We observe cheaters on both sides of the table and witness the exploits of such high rollers as Frank Sinatra and Colonel Parker Elvis s manager And we learn about the dealers lives after hours how some juggle casino work with family responsibilities while others embrace the bohemian lifestyle of the Strip and sometimes lose themselves to drugs drink or sex It s a life that invites cynicism and bitterness that can erode the soul and deaden the spirit But the dealer s life can also offer moments of humor encounters with generous and kindly players moments of pride or humanity or professional solidarity Barnes writes with the candor of a keen observer of his profession someone who has seen it all many times but has never lost his capacity to wonder to sympathize or to laugh Dummy Up and Deal is a colorful insider s view of the casino industry a fascinating glimpse behind the glitter into the real world of the casino worker
