The Road Away from God Jonathan Martin, 2022-06-07 It's no easy journey disentangling the good news of the gospel from the toxic theologies that have rendered Jesus unrecognizable It's no wonder the church has sent many walking In *The Road Away from God* Jonathan Martin reimagines Luke's story of two disillusioned disciples walking the Emmaus road away from the holy city where they had watched their hope die a gruesome death right before their eyes For anyone who is feeling their faith unravel reckoning with religious trauma or walking the long road of deconstruction Martin speaks compassionate hope into the journey of today's disillusioned disciples revealing that the resurrected Christ is profoundly present with them even on what seems to be the road away from God With a pastor's heart and poet's touch as Rachel Held Evans once wrote of

Martin this is a book to help you feel seen in your spiritual journey and all its complexities and to find resurrection even where you least expect it *Word Made Flesh* John Main,2013-01-02 Offers insights into the kind of prayer that enables us to bring the whole of our being to God and to let the power released into the world by the life death and resurrection of Jesus flow through our hearts and into the world *Silence and Stillness in Every Season* John Main,Main,1997-12-31 Many thousands of people across the world have found their spiritual lives enriched by the daily practice of Christian meditation the method of silent prayer taught by Benedictine monk John Main It is a tradition which draws on the ancient wisdom of the Bible the Hindu Upanishads and the early Christian Desert Fathers John Main wrote several books on contemplative prayer before he died in 1982 but this collection is the only one to draw the essence of all his teachings into one volume Paul Harris has devotedly selected the essential extracts from each of John Main's works and arranged them here in an attractive and practical daily readings format *Jet* ,1981-11-12 The weekly source of African American political and entertainment news

Initiation of the Soul Pamela S. Alexander PhD,2019-12-11 We are in the midst of an epic evolution in consciousness that involves a radical shift in orientation from the ego to the heart and soul This transformative process requires a breaking down of the old form which we are witnessing personally and collectively to create the space for something new to emerge As we live from the soul and express our deepest truths we actively participate in this change Life experiences may seem as though they're random but in fact they have an intention deeper meaning and purpose which is to facilitate this transformation within us Everything is occurring to free us from our old beliefs outdated ways of living and any limiting ideas we have about life and ourselves In *INITIATION OF THE SOUL* Dr Pamela Alexander explores the soul's journey through myth and classic fairy tales In the initiatory mythic story of Psyche and Amor the goddess of love orchestrates events in order to awaken the soul from its slumber The heroine faces challenging tasks that draw the deeper truth of the soul's inherent wholeness freedom and power out of the unconscious and into an embodied awareness Dr Alexander proceeds from there to explore fairy tales that speak to the issues that arise during the soul's emergence These stories symbolically instruct us as to how to resolve our fears and open to love As inner restrictions are resolved we can embody expanded versions of ourselves and become more stable in a chaotic and uncertain world The stories guide us to free the soul from an egoic identification which is buffeted by the winds of change and the opinions of others to the unshakeable ground of being within Then we are empowered to live in freedom and wholeness as we participate in the creation of a new world 105 Esoteric Traditions of the World Book IV: Future Seeds of Sealed Wisdom: Ayahuasca Vedanta Alchemy Kabbalah Damanhur Rainbow Body Starseed Christianity Feminine Animism Dream Yoga Digital Shamanism Taoist-Tibetan Geometry Tensegrity Laing Z. Matthews,2025-09-20 *Esoteric Traditions of the World Volume IV Future Seeds of Sealed Wisdom* The sacred is not dying It is mutating For centuries the world's esoteric traditions have survived exile suppression and obscurity From the temples of Egypt to the mountain hermitages of Tibet from the vine medicine songs of the Amazon to the internal alchemy of China

these living currents have persisted guarded by small circles of initiates passed in whispers kept alive through disciplined practice In the first three volumes of Esoteric Traditions of the World Laing Z Matthews charted 105 sacred paths mapping their origins tracing their survival and revealing the symbolic architectures that hold their power Now in Volume IV we arrive at a new threshold The 21st century s acceleration technological cultural ecological presses these traditions as never before Some shatter into performance and marketing Others adapt with startling resilience forming unexpected hybrids that merge root and ray serpent and dove Amazonian ayahuasca interfacing with artificial intelligence Sacred geometry animating living code Taoist microcosmic orbit meeting Tibetan rainbow body logic Dreaming networks cohering fields of awareness without physical presence This book serves both as a witness documenting endangered forms before they vanish and as a manual for those called to carry the seed forward It offers three survival criteria Rootedness Resonance and Ritual Integrity as a lens for discerning which new forms hold the fire and which are empty shells You will also meet the modern warriors of awareness practitioners training quietly in energy passes recapitulation and stalking dreamers who gather for coherence rather than ego hybrids who navigate ancient maps with contemporary tools These are the perceptual renegades who move between worlds without leaving footprints Inside you ll find Profiles of living hybrid traditions that adapt without betrayal Warnings against commodification mimicry and shallow repackaging Criteria for recognizing what will survive the century s trials Visionary reflections and practical rituals for shifting your own assemblage point A closing invocation for those who will guard and plant the future s sacred seeds Neither utopia nor apocalypse this is initiation a purifying passage where only what has passed through fire body and silence will enter the next world intact For the scholar this is a field record of rare and endangered lineages For the practitioner it is a set of keys for meeting the sacred where it now lives For the carrier of the seed it is a reminder You are not here to worship the ashes You are here to light the next fire

Love Is Stronger Than Death Peter Kreeft,2011-04-06 In one of his most penetrating books Kreeft ponders the meaning of a terminal illness we all have death The three vital questions of Life Death and God are approached through a variety of human experiences Kreeft s book is a new statement of the Christian vision the meaning of our existence and of death is the fulfillment of our deepest desire for the infinite joy and love of God

The Giving Crisis Andrew McNair,2023-04-04 The contemporary church faces a financial crisis of epic proportions The reason is simple While wealthier than any generation in history many believers do not consider tithing or

generosity to be part of their Christian lifestyle Join the Giving Generation and discover Why you feel poorer despite making more than ever The simplest way to shed financial stress The one thing keeping you from experiencing greater wealth and opportunity How to leave a true legacy to your children An amazing vision for what your generosity can accomplish Genuine joy and freedom in your financial life A Giving Crisis can only be remedied by a Giving Generation I believe we have everything we need to become that generation to learn the upside down world of Christ and become the most generous generation in human history in addition to being the most wealthy If you long for financial freedom boundless joy and deep satisfaction join the Giving Generation
