Signature Sins Taming Our Wayward Hearts:

Signature Sins Michael Mangis, 2011-05-24 Michael Mangis explores why we get stuck in a pattern of sin by looking at how we repeat one core or signature sin again and again He helps us each uncover that sin and then looks at gender personality family background and other influences that shape our sin offering further help in breaking sin patterns

Signature Sins Michael Mangis, 2011-05-26 Finally a safe place to talk about sin The topic of sin in general has been safe for a while But here guided by psychologist Michael Mangis we get specific by learning to know ourselves and our signature sins the individual and specific patterns of sin in our life that affect our thoughts actions and relationships In these pages the author empathetically and honestly reflects on the ways we manage our behavior to hide our sin and ignore the true poverty of our hearts But until we deal with the root of our sin we will be ruled and fooled by it and miss the freedom Christ died to bring Exploring common forms of sin and then discovering how our own temperament culture family and gender affect the way those sins manifest themselves in our lives will lead us to a place of real honesty with ourselves God and others But the book doesn't stop there it also shows ways to combat our sin so that we can change our hearts not just our behavior Sin is serious and specific and it doesn't go away on its own But here is serious and safe help for facing sin and finding freedom in Christ

Lamp Jr., 2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately

Self to Lose, Self to Find Marilyn Vancil, 2020-09-01 Discover the growth that's possible when we understand our authentic selves as God intended by exploring more deeply the Enneagram tool paired with profound scriptural insights This book is a gem It's one of the top five books I recommend on the Enneagram Ian Morgan Cron author of The Road Back to You An accessible biblical and practical roadmap for anyone who wants to live fully into their true authentic God given identity I highly recommend it Brenda Salter McNeil author of Becoming Brave The Enneagram a system of nine interconnected personality types has been developed over many years to offer opportunities for personal development and provide a foundation for understanding others Now a certified Enneagram coach shows how a scriptural perspective can lead us to a path of freedom In Self to Lose Self to Find Marilyn Vancil unpacks our human dilemma sets the scriptural foundation explores the nine Enneagram

personalities and shows us practical ways to have a more meaningful life and healthier relationships At its best the Enneagram doesn't merely describe who we are but shows us why we do what we do It invites us to see the innate gifts and inclinations of our original design the person we were before trials and traumas began to shape us It also reveals the strategies and false narratives that keep us from becoming who we're truly meant to be Vancil offers a compelling biblical case for the Enneagram by drawing from John 12:24 which describes how we like seeds construct a protective coat that helps us survive in a world where we encounter challenges and insecurities But for us to truly live a fruitful life we must allow the protective coat to soften and fall away in order to grow This is what sets Vancil apart as both a seasoned Enneagram expert and a spiritual director Within a scriptural context she demonstrates how the Enneagram can be a vehicle for growth and transformation by laying out the realities of each Enneagram type affirming the inherent genius of each type showcasing the unhealthy tendencies of each type's false self and illuminating the undeniable path to freedom for each one Combining rich biblical wisdom with Enneagram wisdom and real life experiences this compelling resource is a must for anyone who longs for a happier freer life
