Silent Hero Saga Demo Version Book I:

Darogan Aled Llion Jones, 2013-10-15 Political prophecy was a common mode of literature in the British Isles and much of Europe from the Middle Ages to at least as late as the Renaissance. At times of political instability especially the manuscript record bristles with prophetic works that promise knowledge of dynastic futures. In Welsh the later development of this mode is best known through the figure of the mab darogan the son of prophecy who variously named as Arthur Owain or a number of other heroes will return to re-establish sovereignty. Such a returning hero is also a potent figure in English, Scottish and wider European traditions. This book explores the large body of prophetic poetry and prose contained in the earliest Welsh language manuscripts exploring the complexity of an essentially multilingual, multi-ethnic and multinational literary tradition and with reference to this wider tradition critical and theoretical questions are raised of genre signification and significance.

First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available today's fan of horror and exploitation movies isn't necessarily educated on paths well trodden. Universal classics, 1950s monster movies, Hammer as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock, master of suspense. SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won't care to write about. One opinion 8 000 reviews or thereabouts.

Neope's War Tod Langley, 2013-08 Ferral is wounded Allisia is safe. The sorcerer king's hold on winter is loosening but can Kristian rest when there are so many depending upon him? The demon controls the Deathmarch Army. Ferral searches for the power to destroy his enemies and the devastated survivors of Erinia look to Kristian for help. The group that rescued Allisia must now separate and search for the key to winning the war against Ferral, ending his plans to dominate Erinia through sorcery and evil religion. Cairn wants peace and to forget the past but he also wants revenge. Allisia must accept her new powers and learn to control the visions without losing her sanity. Mikhal must set out on a fateful journey to discover who the demon is and why he is connected to her. And the demon woman is at the center of all of the devastation. Neope. She is powerful and cunning and she will destroy anyone that stands in her way. Neope's War the stunning conclusion to Langley's Erinia Saga.

A Forest of Stars Kevin J. Anderson, 2011-04-14 It has been five years since humanity's heady expansion among the stars came to an abrupt and violent halt. The emergence of the Hydrogues, an immensely powerful alien race dwelling within gas giant planets, has placed the scattered colonies of the Terran Hanseatic

League in jeopardy With space travel heavily curtailed and supplies of fuel dwindling young King Peter and Chairman Basil Wenceslas the harsh power behind the throne have no choice but to impose strict rationing But the Hydrogues are not the only enemies of humanity The scheming Mage Emperor leader of the ancient Ildiran Empire attempts to forge tangled alliances among all combatants in order to protect his failing civilization The mysterious Klikiss robots only remnants of an extinct race continue to work their sinister plans while pretending to be friends and advisors to the Hanseatic League And archaeologists Margaret and Louis Colicos whose discovery of an ancient alien weapon accidentally triggered the Hydrogue conflict have vanished on the abandoned world of Rheindic Co Rlinda Kett and Davlin Lotze sent to investigate the disappearance soon realise that the Colicos discoveries may lead to an incredible new way to travel between worlds or to the awakening of enemies even more fearsome than the Hydrogues Something of inestimable power must have been required to destroy the Klikiss race Will humanity be next
