

A promotional image for the video game Silent Hill: Homecoming. It features the character James R. Sullivan, a man with dark hair and a serious expression, wearing a tan trench coat. He is standing in a dark, industrial environment with stone walls and debris on the floor. A bright light source, possibly a flashlight, is shining on his chest. The title 'SILENT HILL' is written in large, glowing, yellow-outlined letters at the top right. Below it, 'HOMECOMING' is written in a white, stylized, handwritten font. At the bottom right, 'walkthrough' is written in a white, lowercase, sans-serif font. In the bottom left corner, the words 'Complete GUIDE' are written in a white, bold, sans-serif font.

The Film Daily Directors' Annual and

Production Guide ,1929 **Playing with Religion in Digital Games** Heidi A. Campbell,Gregory P. Grieve,2014-04-28

Shaman paragon God mode modern video games are heavily coded with religious undertones From the Shinto inspired Japanese video game Okami to the internationally popular The Legend of Zelda and Halo many video games rely on religious themes and symbols to drive the narrative and frame the storyline Playing with Religion in Digital Games explores the increasingly complex relationship between gaming and global religious practices For example how does religion help organize the communities in MMORPGs such as World of Warcraft What role has censorship played in localizing games like Actraiser in the western world How do evangelical Christians react to violence gore and sexuality in some of the most popular games such as Mass Effect or Grand Theft Auto With contributions by scholars and gamers from all over the world this collection offers a unique perspective to the intersections of religion and the virtual world *The Traitor's Homecoming* Matthew E. Reardon,2024-08-15 Almost everyone is familiar with the name of at least one Revolutionary War battle Some like Lexington and Concord Bunker Hill Saratoga and Yorktown are household names Others are less well known but readily recognized when mentioned An engagement in Connecticut during the war s seventh year commanded by one of history s most infamous military names is not among them Matthew E Reardon has set out to rectify that oversight with *The Traitor s Homecoming* Benedict Arnold s Raid on New London Connecticut September 4 13 1781 By 1781 the war in North America had reached a stalemate That changed during the summer when the combined Franco American armies of Generals George Washington and Jean Baptiste comte de Rochambeau deceived British General Sir Henry Clinton into believing they were about to lay siege to New York City In fact they were moving south toward Yorktown Virginia in a bid to trap Lord Cornwallis s British army against the sea Clinton fell for the deception and dispatched former American general Benedict Arnold to attack New London Clinton hoped to destroy the privateers operating out of its harbor and derail militia reinforcements and supplies heading from Connecticut to the allied armies outside New York City Situated in southeastern Connecticut New London was the center of the state s wartime naval activities State and Continental naval vessels operated out of its harbor which doubled as a haven for American privateers Arnold landed on September 6 and in a textbook operation defeated local militia took possession of the town harbor and forts and set New London s waterfront ablaze But that is not how it is remembered The Connecticut governor s vicious propaganda campaign against the British and Arnold who was already infamous for his treachery created a narrative of partial truths and embellishments that persist to this day As such most of the attention remains on the bloody fighting and supposed massacre at Fort Griswold There is much more to the story *The Traitor s Homecoming* uses dozens of newly discovered British and American primary sources to weave a balanced military study of an often forgotten and misunderstood campaign Indeed Reardon achieves a major reinterpretation of the battle while dismantling its myths Thirteen original maps and numerous illustrations and modern photographs flesh out this provocative and groundbreaking study **Turner Classic Movies Presents Leonard Maltin's Classic Movie Guide**

Leonard Maltin, 2015-09-29 The definitive guide to classic films from one of America's most trusted film critics Thanks to Netflix and cable television classic films are more accessible than ever Now co-branded with Turner Classic Movies Leonard Maltin's Classic Movie Guide covers films from Hollywood and around the world from the silent era through 1965 and from The Maltese Falcon to Singin' in the Rain and Godzilla King of the Monsters Thoroughly revised and updated and featuring expanded indexes a list of Maltin's personal recommendations and three hundred new entries including many offbeat and obscure films this new edition is a must-have companion for every movie lover The Official Xbox Magazine, 2008

Performing for Motion Capture John Dower, Pascal Langdale, 2022-05-05 Want to be the next Andy Serkis as Gollum in Lord of the Rings Or Zoe Saldana in Avatar How about Seth MacFarlane in Ted Or do you want to star in video games such as Fortnite Call of Duty or Halo If so this book will tell you everything you need to know about acting for motion capture This is the first book to provide an invaluable resource for the education of the next generation of performers in this exciting medium Over the last 10 years a revolution has occurred in digital production video games have overtaken the film and TV industries in terms of production and revenues Many video games derive their digital animation from human performance by means of motion and performance capture Actors such as Andy Serkis and Troy Baker have won critical acclaim for their digital performance in games and film The book includes contributions from practitioners working across the globe including actor Kezia Burrows software developer Stéphane Dalbera director Kate Saxon a group of Japanese games directors Jeremy Meunier Head of Motion Capture at Moov studios Montreal Marc Morisseau motion editor for Avatar and a Chinese Motion Capture suit manufacturer **TLA Film, Video, and DVD Guide 2002-2003** David Bleiler, 2001-11-03 A film video and DVD guide for the true lover of the cinema this volume focuses on independent and international films as well as the best of the mainstream 450 photos throughout

Telling the Stories Right Jack R. Baker, Jeffrey Bilbro, 2018-03-26 Wendell Berry thinks of himself as a storyteller It's somewhat ironic then that he is better known as an essayist a poet and an advocate for small farmers The essays in this collection consider the many facets of Berry's life and work but they focus on his efforts as a novelist and story writer Indeed Berry had already published three novels before his seminal work of cultural criticism *The Unsettling of America* established him as an ardent defender of local communities and sustainable agriculture And over the past fifty years he has published eight novels and more than forty-eight short stories set in the imagined community of Port William His exquisite rendering of this small Kentucky town challenges us to see the beauty of our own places and communities and to tend their health threatened though it inevitably is The twelve contributors to this collection approach Berry's fiction from a variety of perspectives literary studies journalism theology history songwriting to shed light on its remarkable ability to make a good life imaginable and compelling The first collection devoted to Berry's fiction this volume insists that any consideration of Berry's work must begin with his stories Contributors Ingrid Anna Pierce Kiara Anne Jorgenson Doug Sikkema Ethan Bruce Mannon Fritz Oehlschlaeger Michael R. Stevens Eric Miller Grace Marie Olmstead Jake

Meador Andrew Peterson *TLA Video & DVD Guide 2004* David Bleiler, 2004 The TLA Film Video and DVD Guide 2004 is the absolutely indispensable guide to worthwhile cinema It includes over 10 000 entries on the best of film and video that a real film lover might actually want to see Unlike some of the other mass market guides that tend to be clogged with unenlightening entries on even more unenlightening films TLA focuses on independent foreign as well as the best of Hollywood to bring the cineaste an opinionated guide that is both fun to read and easy to use The guide includes Reviews of more than 10 000 entries Four detailed indexes by star director country of origin and theme More than 300 photos throughout A listing of all the major film awards of the past quarter century as well as TLA Bests and recommended films A comprehensive selection of cinema from over 50 countries From one of the finest names in video retailing and a growing rental chain comes the latest edition of one of the most respected film video and DVD guides The TLA Film Video and DVD Guide is perfect for anyone with an eclectic taste in cinema **Snow's Pathfinder Railway Guide** , 1907 [TLA Film and Video Guide](#) David Bleiler, 1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films
