The Mulberry Silk-Worm C. V. Riley, 2016-06-27 Excerpt from The Mulberry Silk Worm Being a Manual of Instructions in Silk Culture The growing interest shown in the culture of silk in the United States is attested by the demands upon this Department for copies of this manual which has hitherto been published as Special Report No 11 Originally prepared as a brief manual based on my own experience of the industry in America the present demands of silk growers or rather of those desirous of becoming such call for some further details and in elaborating the work it has been thought best to include it among the bulletins of the Division I have also divided the matter into chapters and those on the implements which are necessary to or facilitate the work those on diseases reproduction reeling and the physical properties of raw silk embrace essentially new material parts of Chapters V and VI being from my current annual report not yet distributed In Chapter VIII in speaking of machinery I have omitted the detailed descriptions of special machines given in former editions and explained rather the mechanical principles that should be involved in all A description of the Serrell Reel would have been very appropriate but the inventor has been promised by the Commissioner that such should not be made public until all patents are secured I shall hope to elaborate this chapter in some future edition About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
