About The Funza Lushaka Bursary Programme

The Department of Basic Education (DBE) has established the Funza Lushaka Bursary Programme to attract able and committed men and women into teaching by providing them with a full-cost bursary to enable them to qualify as teachers in priority areas of learning. In return **recipients will be placed** by a provincial education department to teach in a public school in which a teacher is needed, thereby repaying the nation in service for the benefit of their higher education. **Bursars cannot choose where they will be placed. Bursars cannot apply directly to a school for a teaching position. Bursars can be placed anywhere in the province, or in the country.**

Each year of service will repay one full-time year of bursary-assisted study. The bursar is obliged to take up placement immediately on completion of the initial teaching qualification. **Placement cannot be deferred** for any reason. For example, bursars who complete their initial qualification cannot defer placement in order to continue study in an honours programme. If a course of study is not successfully completed or the mandatory teaching service period is not satisfactorily completed the remaining value of the bursary will be converted into a loan which defaulters will be required to repay according to the provisions of this Agreement.

Funza Lushaka bursaries are available to eligible **South African** students who choose a course of study in any of the following programmes and are preparing to teach in a designated priority area:

BEd (students in years 1, 2, 3 or 4)

BA/BSc/BCom/BTech (students with majors suitable for admission to a PGCE, which students must commit themselves to enter after graduating)

PGCE with a teaching major in one of the priority areas.

The designated priority areas are:

Grades R-9: Foundation Phase; African Languages; English Language; Mathematics; Natural Science; Technology.

Grades 10-12: African Languages; English Language; Mathematics; Mathematical Literacy; Agricultural Sciences; Life Sciences; Physical Science; Agricultural, Civil, Electrical, Mechanical, Information Technology, Computer Applications Technology; Engineering Graphics and Design, Accounting, Economics and Geography

NSFAS has been appointed by the Minister of Education to administer the Funza Lushaka Bursary Programme and will undertake the recovery from defaulters of the loan principal and interest in terms of this Agreement. It is of great importance that loans are repaid as soon as possible. A rate of interest is charged which is sufficient to preserve the value of the loan funds, with due regard to inflation.
