Student numbers in South Africa have doubled since democracy and for many families higher education is a route to a better
future for their children But alongside the overwhelming demand for higher education questions about its purposes have
intensified Deliberations about the curriculum culture and costing of public higher education abound from student activists
academics parents civil society and policy makers We know from macro research that South African graduates generally
have good employment prospects But little is known at a detailed level about how young people actually make use of their
university experiences to craft their life courses And even less is known about what happens to those who drop out This
accessible book brings together the rich life stories of 73 young people six years after they began their university studies It
traces how going to university influences not only their employment options but also nurtures the agency needed to chart
their own way and to engage critically with the world around them The book offers deep insights into the ways in which
public higher education is both a private and public good and it provides significant conclusions pertinent to anyone who
works in and cares about universities *International Faculty in Higher Education* Maria Yudkevich, Philip G. Altbach, Laura
E. Rumbley, 2016-11-25 In an interconnected and globally competitive environment faculty mobility across countries has
become widespread yet is little understood Grounded in qualitative methodology this volume offers a cutting edge
examination of internationally mobile academics today and explores the approaches and strategies that institutions pursue to
recruit and integrate international teachers and scholars into local universities Providing a range of research based insights
from case studies in key countries this resource offers higher education scholars and administrators a comparative
perspective helping to explain the impact that international faculty have on the local university as well as issues of retention
promotion salaries and the challenges faced by these internationally mobile academics
