Grayling,2022-05-30 In this highly interdisciplinary volume we systematically study the role of metaphors and analogies in mis shaping our understanding of the world Metaphors and Analogies occupy a prominent place in scientific discourses as they do in literature humanities and at the very level of our thinking itself But when misused they can lead us astray blinding our understanding inexorably How can metaphors aid us in our understanding of the world What role do they play in our scientific discourses and in humanities How do they help us understand and skillfully deal with our complex socio political scenarios Where is the dividing line between their use and abuse Join us as we explore some of these questions in this volume Mixing Metaphor Raymond W. Gibbs, Jr.,2016-03-18 Mixing metaphors in speech writing and even gesture is traditionally viewed as a sign of inconsistency in thought and language Despite the prominence of mixed metaphors there have been surprisingly few attempts to comprehensively explain why people mix their metaphors so frequently and in the particular ways they do This volume brings together a distinguished group of linguists psychologists and computer scientists who tackle the issue of how and why mixed metaphors arise and what communicative purposes they may serve These scholars almost unanimously argue that mixing metaphors is a natural consequence of common metaphorical thought processes highlighting important complexities of the metaphorical mind Mixing Metaphor for the first time offers new critical empirical and theoretical insights on a topic that has long been ignored within interdisciplinary metaphor studies Words Dale D.
