Draw to Win Dan Roam, 2016-09-13 Get ready for the ultimate crash course in communicating and solving problems through simple pictures Thirty two thousand years ago your many times great grandparents Oog and Aag drew pictures on the wall of a cave They had an innate need to communicate but no written language So they found an easy

and natural way to share their thoughts and stories Today after so many years when speaking and writing dominated we're back in another highly visual age About 90 percent of everything shared online is now visual selfies GIFs smartphone videos and more This explosion of communication through pictures isn't a millennial driven fad it's as natural as those lines first drawn by Oog and Aag Just turbo charged by the latest technology And yet over the past twenty years as I've taught people from Fortune 500 CEOs to White House staffers how to harness the power of imagery the biggest objection I've always heard is But I can't draw Trust me you can You don't need to be da Vinci to be an outstanding visual thinker and communicator The most effective drawings are the simplest and you can get good at those in three minutes In this little book I'll teach you how to use seven basic shapes to explain just about anything to just about anyone If you've read my previous books you'll see one or two familiar tools here along with a bunch of new tools you can start using right away If you're new to my approach welcome Get ready to work smarter communicate more clearly and get better at whatever you do just by picking up a pen Get ready to draw to win
