The Baumgartners Plus One:

The Baumgartners Plus One Selena Kitt, 2011-01-28 When Danielle Stuart meets the Baumgartners her life doesn't need to get any more complicated. Studying Italian on scholarship at the University of Michigan, Dani is haunted by a horrible tragedy that her husband Mason simply can't come to terms with. But when she meets Carrie Baumgartner and then her handsome husband Doc, she finds her attraction to the couple irresistible, no matter how complicated things might get. While the two women bond over being childless and yet surrounded by children in the university's married housing complex, it's Doc Baumgartner who really brings them together with a game-changing idea that serves to reshape all of their lives.

WARNING: 18 ONLY. This title contains erotic situations and graphic language and makes mention of porn strippers, high heels, snow angels, wishbones, micro bikinis, white hot sand, Victoria's Secret, birth control, kittens, margaritas, and various other alcoholic beverages, plus a plethora of sex, including girl on girl, anal sex, and a miff threesome in true Selena Kitt style.

Baumgartner Shorts Selena Kitt, 2012-01-21 Get both *Meet the Baumgartners* and *A Baumgartner Christmas*, two stories in Selena Kitt's bestselling Baumgartner series, never before available in print. *MEET THE BAUMGARTNERS*: Carrie swore off men after a relationship gone bad in her freshman year of college and is perfectly happy with her roommate and lover Maureen until she discovers Steve Baumgartner. Call me Doc, everybody does in a very compromising and decidedly sexy position. Meeting Doc complicates things, but when Maureen's very religious boyfriend becomes a real threat and the gang goes to Key West for summer break, Carrie finds herself swept away by circumstance into a whirlwind of lust and sexual discovery. *A BAUMGARTNER CHRISTMAS*: In spite of a brief experimentation early in their relationship, Doc and Carrie Baumgartner have since maintained a monogamous marriage without too much difficulty or even temptation until now. A move far from home, coupled with new friends and long hours away from each other in classes or at work, have left the young Baumgartner couple on shaky ground. Doc believes bringing in someone new, like they did early in their relationship, might add just the spice their marriage needs, but Carrie isn't so sure about that plan. Doc has a surprise Christmas present for his wife anyway, but in an ironic twist, he discovers she has one for him as well, and each gift allows the Baumgartners to rediscover in the true spirit of Christmas an expansive love that includes not only their feelings for each other but their ability to share that inclusive passion with others as well.

Fragile Families Joachim Eibach, 2023-10-24 In the era of bourgeois modernity 1750 1900 the family is as valued as it is vulnerable It constitutes a community of care conflict and emotion Time and again it is evoked as a bond of love as well as a moral institution Yet both love and morality are fragile A more detailed exploration reveals that domestic life during this period was much more colorful open and dynamic and also more prone to crisis than one might expect given the vaunted view of the family that characterized the heyday of the bourgeoisie This book rewrites the history of the modern family Self narratives primarily diaries written by members of eight families from Germany Switzerland and Austria serve as sources for this research The focus extends far beyond the bourgeoisie With a micro historical eye the author reconstructs family histories from the peasant milieu to the patrician elite from the parsonage to the educated bourgeoisie he considers the domestic life of a journeyman craftsman a couple's descent from the ranks of the petite bourgeoisie the effects of an itinerant childhood among the proletariat and the strain of being caught between a bourgeois family and artistic individuality Many of these aspects point beyond bourgeois modernity to the family in our time *Seeking Personal Validation* Anece F.

McCloud, 2019-04-10 This book is a memoir written by an African American woman who grew up in the rural South during the late 1930s and 1940s Being poor and having to confront three types of prejudices racial color within the Negro race some perpetrated by her own relatives and poverty affected her self esteem and feelings of self worth She dreamed of being a different person and in at least one instance while in grade school she tried to change her personal appearance in a nonsensical manner that could have been dangerous In her early twenties just as her self concept was improving an uncontrollable illness made her feel that she was living between heaven and hell She includes bits of history sociology and psychology in telling about her life In the later part of the memoir she describes the effect that being involved in a newly

developing role in academia had upon her life and others Through her writings the reader becomes more knowledgeable about life as a black person and can learn some unknown facts about race relations working in positions that are not well known by the general public experiences with sexism and combating everyday human problems **MotorBoating** ,1980-03
