*Submissive Training Vol. 2* Elizabeth Cramer, 2015-03-06 Whether you have always dreamed about life in a collar or just discovered a desire to be sexually adventurous there is a place for you in the fetish world of submission The culture of kink once thought to be limited to couples who wore leather pants and played slap and tickle in the bedroom has grown into a varied and well defined umbrella for sexual identity Because fetish culture like all cultures grows and changes with the people who practice it there are distinct roles and categories that developed to help women define their preferences and find like minded people and playmates Women in BDSM relationships no longer have to start with the basic tenets of submission to wrap that skin around their differences Now you can look into the whole spectrum of submissive behavior and find the place you feel most fulfilled and comfortable From women who enjoy the occasional bondage session handcuffed to their headboard to the girls who want to be fed out of a bowl and locked in a crate at night there is a place for everyone In this Submissive Training guide we will look at twelve subcultures of submission including the New Misogyny explaining the overall principles and practices of each one and illustrating the pros and cons inherent in each style of sexual diversity All people are different and you may not find one that covers everything you like or don't like but chances are you'll see something in one of these subcultures that makes you say That's what I want
