The Beautiful Ones The Chosen Ones English Edition:

The Chosen Ones Margarita Arnal Moscardó,2023-12-28 The book *The Chosen Ones* represents a staunch and unwavering commitment to face life overcome difficulties and to know how to enjoy it at all times along the path of the evolution of consciousness In this sense the author Margarita Arnal Moscard reveals to us through her stories a path to live life Reading this book is giving yourself the opportunity to delve into the ancestral feminine force The author s great understanding of feelings and her connection with a wisdom that connects with our soul offers answers on the initiation of the path to overcoming difficulties while acknowledging the happy moments that life offers *The Chosen Ones* an exciting novel that captivates the reader from the first moment is based on the spiritual adventures of three women throughout their lives *The Chosen Ones* is the telling of three stories perhaps not by chance as the number three is considered the perfect number according to spiritual traditions In the three stories we find a wide spectrum of situations that bathe the individual in joy love and happiness or at the same time flood with deep sadness lost love and suffering Perhaps a more subliminal message in the book but latent in each of the three stories is the sublime claim of the inalienable right for women to enjoy the path of life whatever future or destiny holds for each of them for ALL the women given that there are three stories The ties obstacles and problems that women face can in no way prevent them from achieving their happiness Pain and suffering do not justify the martyrdom of waiting for an earthly existence without both The depth of the book is combined with sweetness as well as the clarity and courage with which pain is described the inevitable goodbye to loved ones and the maybe we will meet again sometime somewhere They are intermingled with a touch between realism and idealism and a sense of humor while offering an apprenticeship in the initiation rituals offered by some of the cultures of the earth From all this it can be deduced that the author Margarita Arnal Moscard shows authentic knowledge of the different visions of approach to the spiritual from the different cultural spiritual experiences that coexist on earth [The Man of Heaven and the Beautiful Ones of God](#) Elizabeth Gunner,2021-11-08 The role of Africans in the growth and process of Christianity in South Africa in the late nineteenth and early twentieth century In particular the book provides an insight into the role of writing and literacy in the church founded by the South African prophet Isaiah Shembe in 1910 The book provides a substantial contextualising introduction which includes discussion of the church s history and its position in contemporary South Africa and weaves in discussion of the topics of literacy and modernity The book then moves to the three documents presented in their language of composition Zulu and in an English translation The three books each from Shembe s Nazareth Baptist Church provide the reader with a fascinating insight into the growth and organisation of one of southern Africa s most influential African Churches and into the use and interpretation of the Bible by the church s founder Isaiah Shembe and by church members Central to the writings is the complex presence of Shembe present both through his own words in the first book and in the second book through the memory of Meshack Hadebe a member of the church in the 1920 s and 1930 s The extracts in the

third book provide a glimpse of the church's hymnal and the unique religious poetry of the hymns authored by Shembe

Washington, 2016-01-11 Serenity could be captured for miles before the bay waters matched up with the oceanfront The cost for a common man to view God s beauty and clear his mind was the sum total of nothing Standing on the shore laying one s burdens down seemed to be habitual among the Davidson men Forrester and Preston started walking doing their morning ritual reporting to the slips where Paramour was docked Before time clasped into faded memories this was something they did often thinking about Papa Noelle Hess graduated from the Mortelle Division One of the Federal Apparatus that no one really knows about She learned her duties real time fast The art of babysitting depraved souls She learned that born criminals can be categorized by two types There are the extreme organized thinkers with dark and brutal vengeance Feeling slighted in anyway will cause them to implement tactics to terminate your existence They can never be read by an ordinary mind Only specific people will suffer from misdeeds crafted by the deadly ones They move in and out undetected The select few that routinely go missing are never seen again Now the unlearned criminal story is usually short lived They kill or cripple based on being sloppy and unyielding Seldom do they get away with much They are usually the ones that talk entirely too much They stood watching and listening waiting for the night to take its proper place A partial moon casted just enough light to see the dock Chase looked into her eyes Her honest gaze never lied Sounds that only a man could hear at dark went silent Calmness took over which relaxed her She dropped her guard This was favorable for him Over time he grew to be very selective with his choices

Mitchell watched closely like animals do out on a hunt Females could be very clever to a man s detriment if he s not careful His gentle ways give him leverage needed to necessitate a cozy exchange Mastery over the female s psyche awarded him mental pennants He kept a hold over this one and his outside interest Love lingered on but the need to be alone set the precedence Brenda gave up the battle and came to grips She just wasn t his final Pleasure may endure for a night but reality shows face in the morning The previous evening had two eyes but the current day has only one She walked across the floor partially wet Her mere presence relaxed him A familiar act can qualify as a grand event if accompanied by love An adulterer might jump at the sound of guilt I have no regrets about what happened between us Tell me about you He knocked Nadia off her guard She wasn t expecting his approval Thomas appeared to be wallowing in arrogance I returned to your path hoping for a purpose neither a promise nor a gift Before I shower let me first delight you by saying this I never loved her and you know that I m not going to challenge this moment by renewing our past It just isn t necessary at this point **Chosen Ones**
