AN INTRODUCTION

JERRY L. SUMNEY

The Bible An Introduction

**Andrew E. Arterbury, W. H. Bellinger,
Jr., Derek S. Dodson**

The Bible An Introduction:

The Bible Jerry L. Sumney, 2021-01-05 What is the Bible How did it get to us Why are translations so different And what influence has the Bible had on culture From its very first pages The Bible An Introduction Third Edition offers clear answers to the most basic questions that first time students and curious inquirers bring to the Bible Without presuming either prior knowledge of the Bible or a particular attitude toward it Jerry L Sumney uses straightforward language to lead the reader on an exploration of the Bible s contents and the history of its writings showing how critical methods help readers understand what they find in the Bible Filled with maps charts illustrations and color photographs to enhance the student s experience with the text This third edition offers a number of revisions and a new section on the deuterocanonical books Neither polemical nor apologetic The Bible presents the biblical writings as the efforts of men and women in the past to understand their lives and their world in light of the ways they understood the divine

The Bible Jerry L. Sumney, 2014 The Bible An Introduction offers clear answers to the most basic questions that first time students and curious inquirers bring to the Bible Without presuming either prior knowledge of the Bible or a particular attitude toward it Jerry L Sumney uses straightforward language to lead the reader on an exploration of the Bible s contents and the history of its writings showing how critical methods help readers understand what they find in the Bible

The Bible Gerald Charles Tilley, 2024-08-17 This is a new expansion of the book first published in 2017 It presents the background history and purposes of the biblical scriptures Key words in regard to the Bible are defined and some of the evidence for the authenticity and reliability of the contents of the Bible are briefly presented The reasoning for the inclusion and exclusion of various books in regard to the Bible is presented There is also a list of review or discussion questions as well as more detailed information This is an excellent means of becoming introduced to the Bible You will discover much you did not know prior to having read a Bible introduction

A compendious introduction to the study of the Bible, an analysis of 'An introduction to the critical study and knowledge of the holy Scriptures'. Thomas Hartwell Horne, 1833

A New Companion to the Bible. An Introduction to the Study of the Scriptures for Bible Classes, Sunday Schools, and Families. With Maps, 1874

Understanding the Bible John A. Buehrens, 2004-06-15 A thoughtful warm and witty introduction Understanding the Bible is designed to help empower skeptics seekers nonbelievers and those of a liberal and progressive outlook to reclaim the Bible from literalists In making accessible some of the best contemporary historical literary political and feminist readings of the Hebrew and Christian scriptures it encourages all who would find in the biblical heritage an ally and not an enemy in the quest for a more just and humane world Brief and to the point it can easily be used to stimulate group discussions and personal reading of the biblical texts themselves and is an excellent introduction to the Judeo Christian tradition for those of other faiths Understanding the Bible includes four preliminary chapters on the why who which and how of biblical understanding followed by eight brief thematic chapters covering the core of the Hebrew Bible and six covering the Christian scriptures plus chronologies maps

and helpful suggestions for further reading *Reading the Bible* Maurice James Ryan, 2009 This book offers an introduction to the Bible It has been written for tertiary students new to the study of the biblical texts Each of the fifteen chapters in this collection focuses on a specific interest to students and presents a survey of contemporary scholarship questions and issues

Back cover **An Introduction to the Bible** Christian Ewing Hauer, William A. Young, 1990 An introductory account for college students and general readers with little or no previous exposure to the academic study of the bible The three worlds are the historical the literary and the contemporary A tip of the hat to the authors for making their own perspectives clear so as not to confuse data and interpretation With a variety of maps charts tables and photos illustrating the text Annotation copyrighted by Book News Inc Portland OR *The Bible* Gerald Charles Tilley, 2017-07-16 This is a general introduction to the Bible that presents these writings as revelation from God to all humanity This perspective is based upon the reality that textual criticism and archaeological excavations confirm that the Biblical text and history is reliable This perspective is also based upon the evidence that the Bible cannot be adequately explained as a product of the cultures and eras in which the various documents were written For example the Biblical writers avoid the mythologies and misperceptions that were believed by the surrounding nations at the time of the various writings In addition there are scientifically accurate statements in some of these documents that were undiscovered until modern science An honest reader cannot easily dismiss such evidence of divine authorship This Bible Introduction explains key theological term related to the Bible such as Inspiration Revelation Inerrancy and Authority This book also indicates the flaws in the Documentary Hypothesis which is taught in secular and Liberal institutions despite having absolutely no evidence to support it It also shows why the apocryphal and Gnostic writings were not included in the Bible [A Study Companion to the Bible](#) Anthony Le Donne, Jerry L. Sumney, 2014 Jerry L Sumneys *The Bible* An Introduction offers clear answers to the most basic questions that first time students and curious inquirers bring to the Bible The Study Companion is a handy complement to the textbook providing primary readings and a running glossary of terms keyed to the textbook along with exercises for further reflection

Introduction to the Bible Christian E Hauer, 2011-11-21 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book A Literary Historical and Contemporary Perspective of the Bible Introduction to the Bible approaches the Bible by considering it from three different viewpoints literary historical and contemporary This unique approach underscores the dynamics of each view and the methods scholars have developed to study them Additionally the authors are especially careful to distinguish the historical and literary viewpoints for students new to the discipline encouraging them to consider and discuss the contemporary significance of the Bible Teaching and Learning Experience Personalize Learning MySearchLab delivers proven results in helping individual students succeed It provides engaging experiences that personalize stimulate and measure learning for each student And it comes from a trusted partner with educational expertise and a deep commitment to helping students

Engaging the Christian Scriptures Andrew E. Arterbury, W. H. Bellinger, Jr., Derek S. Dodson, 2021-03-30 This readable faith friendly one semester textbook aids students as they engage in their first reading of the biblical text in an academic setting The authors who have significant undergraduate teaching experience approach the Christian Scriptures from historical literary and theological perspectives Text boxes illustrations maps and suggestions for further reading are included This new edition incorporates professor and student feedback adds a glossary has been revised throughout and is supplemented by updated and expanded web based pedagogical resources **An Introduction to the Bible** Robert Kugler, Patrick Hartin, 2009-07-08 Many current Bible intro volumes focus more on theories about the biblical text than on the text itself They lack the simplicity that has become increasingly crucial as basic biblical literacy has declined Robert Kugler and Patrick Hartin seek to remedy that problem by turning readers back to the text at hand Their Introduction to the Bible surveys the content of all the biblical books section by section focusing on the Bible s theological themes **The Abingdon Introduction to the Bible** Dr. Joel S. Kaminsky, Dr Mark Reasoner, Dr. Joel N. Lohr, 2014-03-18 The Bible has profoundly influenced the western world Many of its characters and stories are well known and yet oddly enough wide swaths of the Bible are unknown and misunderstood The laws and teaching contained within it have shaped contemporary thinking and jurisprudence in ways many do not realize Equally important two of the world s largest religions Judaism and Christianity consider the Hebrew Bible to be sacred and to contain enduring truths about beginnings and creation life and death the world and what it means to be human Introductions to the Bible tend toward extensive discussion with little to introduce the beginner to the Bible s tremendous influence on contemporary society or to the complexities of reading ancient religious literature Further few discuss the differing ways Jews and Christians approach those parts of the Bible that they share in common or how each group appropriates materials from this common scriptural pool in divergent conflicting and often complex ways As classroom teachers of introductory courses on the Bible the authors of this volume will acquaint students

with the tremendous influence that the Bible has had on culture and to address some of the critical questions in user friendly faith respecting ways in order to maximize students appreciation of the biblical text and their understanding of it This introduction will introduce the beginner to the Bible with simplicity and precision in an engaging manner It will provide the reader with a quick overview of the issues related to reading and studying the Bible as an academic discipline while simultaneously illustrating the importance of the Bible for religion western jurisprudence ethics and contemporary conceptions of the family morality and even politics A CHOICE Magazine Outstanding Academic Title of 2014 **An**

Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne, 1836 **An**

Introduction to the Knowledge and Study of the Holy Scriptures John BROWN (Minister of the Gospel at Haddington.), 1792

Reading the Bible in a Secular Age Julius-Kei Kato, 2023-07-24 In a secular age which dismisses once revered matters such as Bible reading is there still a point to reading and studying Christianity's foundational text This book will answer an unequivocal Absolutely Why For us located in the West the Bible is a vital part of our spiritual ancestry a dominant idea of the book Hence learning how to read and interpret the Bible properly particularly the New Testament is like getting to know our spiritual ancestry better The main strategy that this work will suggest is to treat the New Testament as a metaphorical textual village where some of our most important spiritual ancestors continue to live If we learn some good strategies to communicate with them we will be able as it were to visit this village have meaningful conversations with our spiritual ancestors and thus become better grounded in our spiritual ancestry here in the West With that we can return to our secular context better equipped both to embrace and wrestle with that spiritual ancestry Hopefully that will also help us to create for ourselves a meaning system or spirituality that would be appropriate for our present world while being well grounded in our spiritual tradition **An Introduction to the Old Testament Pentateuch** Herbert Wolf, 2007-07-01 The Pentateuch

Genesis Exodus Leviticus Numbers Deuteronomy are the vital first books in the Bible understanding the scope meaning and events of these five books is integral to understanding the whole of Scripture that follows Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch Readers will find Adam Abraham Joseph Moses and Joshua in these pages as well as terrible sin and glorious forgiveness bloody sacrifices and battles deadly betrayal and life giving hope Wolf first addresses the overarching themes that flow through the Pentateuch with special attention given to Moses as author of the five books He then addresses each book specifically covering topics such as purpose and scope and literary structure He tailors additional study to each specific book This book contributes significantly to a clear deep understanding of the Bible's first five books **The Scriptures: An Overview of Both Testaments** Dr. Nathan Ogan, 2015-09-03 This text is based on

a series of lectures given to a small class of ministers training for church leadership in our local Baptist association The goal of the class and point of the lectures was to provide a well rounded orientation into the history and literature of each biblical

book of the New Testament My hope in offering the lectures initially was that those destined to lead in churches would gain an appreciation and familiarity with Holy Scripture That same hope applies to the pages herein **Elements of Biblical Exegesis** Michael J. Gorman, 2020-11-03 World renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis This third edition of Gorman s widely used and trusted textbook over 60 000 copies sold has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade The new edition explains recent developments in theological interpretation and explores missional and non Western readings of the biblical text Adaptable for students in various settings it includes clear explanations practical hints suggested exercises and sample papers
