

The background of the book cover is a deep black space filled with numerous small white stars. A large, curved, blue and white celestial body, resembling a planet or a large moon, dominates the upper right portion of the frame. In the lower left, there are faint, thin, grey lines that curve across the space, suggesting orbits or gravitational fields. A small, dark, circular object is visible in the lower right quadrant.

The Biggest Love Ever:

The Greatest Love Ever Shown Donald Dolson,2014-12-22 This is a collection of common sense realizations attempting to point out the many facets in humanity that are actually part of Gods one creation The collection points out that to fully enjoy what God has made we have to respect the boundaries He has given us in love for our benefit and that the nature some people acknowledge is evidence of His loving care We are all tiny parts of one magnificent creation and as such God hopes we will revel in the freedom He provides when we choose to follow Him and give Him all the devotion we can possibly muster Music art science sociology all the terminology we can name has one source God The Greatest Love Story Ever Told

Megan Mullally,Nick Offerman,2019-09-03 A New York Times Bestseller Megan Mullally and Nick Offerman reveal the full story behind their epic romance presented in a series of intimate conversations between the couple including photos anecdotes and the occasional puzzle The year 2000 The setting Los Angeles A gorgeous virtuoso of an actress agreed to star in a random play and a basement dwelling scenic carpenter said he would assay a supporting role in the selfsame pageant At the first rehearsal she surveyed her fellow cast members determining if any of the men might qualify to provide her with a satisfying fling Her gaze fell upon the carpenter and like a bolt of lightning the thought struck her no dice Moving on Yet unbeknownst to our protagonists Cupid had merely set down his bow and picked up a rocket launcher that fired a love rocket not a euphemism The players were Megan Mullally and Nick Offerman and the resulting romance once ignited was epic Beyond epic It resulted in a coupling that has endured to this day a sizzling perpetual tryst that has captivated the world with its kindness athleticism astonishingly low brow humor and true fire emoji passion How did they do it They came from completely different families ignored a significant age difference and were separated by the gulf of several social strata Megan loved books and art history Nick loved hammers But much more than these seemingly unsurpassable obstacles were the values they held in common respect decency the ability to mention genitalia in almost any context and an abiding obsession with the songs of Tom Waits Eighteen years later they re still very much in love and have finally decided to reveal the philosophical mountains they have conquered the lessons they ve learned and the myriad jigsaw puzzles they ve completed Presented as an oral history in a series of conversations between the couple the book features anecdotes hijinks photos and a veritable grab bag of tomfoolery This is not only the intoxicating book that Mullally s and Offerman s fans have been waiting for it might just hold the solution to the greatest threat facing our modern world the single life **The**
