**The Billion-Dollar Marriage Contract** Alyssa Urbano, 2014-02-12 Doomed from the start Nikos Demakis and Cassia Andrade were married under a billion dollar company merger contract Nikos isn't ready to give up his playboy lifestyle and Cassia is far from the glittering socialite that their elite circle expects Events force them to live separate lives Ten years later Nikos is ready to give it all up and settle down with the wife he only sees once a year Cassia is also ready to settle down just not with Nikos Will Cassia once again surrender herself to the man who scarred her forever Or will she give up her inherited fortune to leave and never look back Will they still be able to fulfill the terms of their billion dollar marriage contract when death and danger stalk them at every turn *Change Your Life's Direction* Jim Taylor, PhD, 2021-05-07 Jim Taylor explores how to harness the four forces that can control our life inertia and propel our lives in the direction of our OWN choosing values self esteem ownership and emotions Many people think of inertia as an object at rest will stay at rest unless a force is exerted on it like a boulder in a field And people can think of their lives in the same way static and unmoving But we aren't stuck in one place as so many express when they are dissatisfied with their lives Rather our lives are moving swiftly and inexorably along a path driven by powerful forces both past and present that is highly resistant to a change in direction As a result small forces such as a modest insight or a brief aha moment aren't enough to catalyze significant change in how we think what we feel or how we act on or react to our world In fact meaningful change can only occur when forces are applied that are greater than the forces that are already propelling our lives Seeing our lives from this dynamic perspective is the foundation for understanding what it takes to bring meaningful and long lasting positive change to our lives Jim Taylor explores the four forces values self esteem ownership and emotions that propel our life inertia which shows itself through the lens with which we view the world the emotional reactions we have the actions that we take and the relationships that we create He then explains how to harness those to our own benefit so that we may steer our lives in the direction of our own choosing rather than allowing our past inertia or outside forces to dictate the direction our lives take By letting our values guide us building our self esteem taking ownership of our decisions and actions and using our emotions as positive fuel we can break free from our past inertia take control of our lives and chart a future of meaning happiness success and connection with confidence commitment and courage *Year Book - The American Philosophical Society* American Philosophical Society, 1950 List of members and obituary notices in volume for 1937 **Year Book** American Philosophical Society, 1950 List of members and obituary notices in volumes for 1937 *Harlequin Presents November 2021 - Box Set 1 of 2* Lucy Monroe, Abby Green, Sharon Kendrick, Michelle Smart, 2021-10-26 Harlequin Presents brings you four full length stories in one collection Experience the glamorous lives of royals and billionaires where passion knows no bounds Be swept into a world of luxury wealth and exotic locations This box set includes HIS MAJESTY'S HIDDEN HEIR A Princesses by Royal Decree novel by USA TODAY bestselling author Lucy Monroe Prince Konstantin can't forget Emma Carmichael the woman
