The Black Ice:

The Black Ice Michael Connelly, 2002-01-01 When an LAPD narcotics officer is found with a fatal bullet wound and a suicide note Detective Harry Bosch follows a bloody trail of drug murders across the Mexico border Working the case LAPD detective Harry Bosch is reminded of the primal police rule he learned long ago Don't look for the facts but the glue that holds them together Soon Harry's making some very dangerous connections starting with a dead cop and leading to a bloody string of murders that wind from Hollywood Boulevard to the back alleys south of the border Now this battle scarred veteran will find himself in the center of a complex and deadly game one in which he may be the next and likeliest victim **The Black Ice Conspiracy** C. R. Myers, 2011-10-04 [The Black Ice](#) Michael Connelly, 2002 Narcotics officer Cal Moore's orders were to look into the city's latest drug killing Instead he ends up in a motel room with his head in several pieces and a suicide note stuffed in his back pocket Years ago Harry Bosch learned the first rule of the good cop don't look for the facts but the glue that holds them together Now Harry's making some very dangerous connections starting with one dead cop and leading to a bloody string of murders that winds from Hollywood Boulevard's drug bazaar to the dusty back alleys south of the border and into the center of a complex and lethal game one in which Harry is the next and likeliest victim *Black Ice* Becca Fitzpatrick, 2023-01-03 Sometimes danger is hard to see until it's too late Britt Pheiffer has trained to backpack the Teton Range but she isn't prepared when her ex friend who still haunts her every thought wants to join her Before Britt can explore her feelings for Calvin an unexpected blizzard forces her to seek shelter in a remote cabin and accept the hospitality of its two very handsome occupants but these men are fugitives and they take her hostage In exchange for her life Britt agrees to guide the men off the mountain As they set off Britt knows she must stay alive long enough for Calvin to find her Things get even more complicated when Britt finds chilling evidence of a series of murders that took place on that very mountain a discovery that may make her the killer's next target But nothing is at it seems in the mountains and everyone is keeping secrets including Mason one of her kidnappers His kindness is confusing Britt Is he an enemy or an ally **Black Ice** George Robert Fosty, Darrell Fosty, 2007 The Colored Hockey League of the Maritimes was formed in 1895 in Halifax Nova Scotia Canada Comprised of the sons and the grandsons of runaway American slaves the league helped pioneer the sport of ice hockey changing this winter game from the primitive gentleman's past time of the Nineteenth Century to the to the modern fast moving game of today In an era when many believed Blacks could not endure cold possessed ankles too weak to effectively skate and lacked the intelligence for organized sport these men defied the established myths The Colored League was one of the most complex sports organizations ever created and was lead by Baptist ministers and church laymen Natural leaders and proponents of Black Pride these men represented a concept in sports never before seen Their rule book was The Bible Their game book the coded words and oral history derived from the experiences of American slavery and the Underground Railroad Their strategy the principles and teachings of American Black leader Booker T Washington the
