remember He had lived a long time and seen a lot The stories he told were like treasures found deep in the ocean At the Great Coral Arch Marina found the elder The rainbow colored corals there make a natural entrance With love and joy in her heart she walked toward him It beat like a sea anemone s soft flutter Elder Turtleton tell me where I can find the Heart of the Ocean I d like to learn more about it Marina whispered into the wind Turtleton looked at Marina with longing in his eyes which were full of ancient knowledge He was told that the way to the Heart of the Ocean would be dangerous and difficult in ways that no young fish had ever faced But he saw in Marina a bravery and determination that made him think of ancient seafaring fighters The secret he had kept for so long was finally going to be told to her Turtleton spoke slowly to make sure Marina was paying attention The Abyss of Shadows is the most mysterious and dangerous place under the sea The water is as dark as the night sky and sunlight can t reach But the greatest challenge is the guardian of the Heart Seraphine the ancient sea dragon he said Turtleton s voice was as deep as the sea When Marina heard Seraphine s name her eyes got really big with shock and worry People have told her stories about sea dragons which are very smart and strong animals but she never thought she would get to see one for real It s a place that not many people have seen and even fewer have come back from Turtleton said Seraphine is a mighty guardian tasked with protecting the Heart of the Ocean from those who would use its power for harm To reach the Heart one must prove their worth to Seraphine showing courage wisdom and a pure heart

Naval Aviation News, 1955 *Sitting Bull* Stanley Vestal, 2014-12-17

If that is Long Hair, I am the one who killed him. White Bull, the young nephew of Sitting Bull, said when Bad Juice pointed out Custer's body immediately after the Battle of the Little Big Horn. Yet it was Sitting Bull who acquired the notoriety and was paraded in Buffalo Bill's Wild West Show as the warrior who killed Custer. But this new edition of Stanley Vestal's classic biography of the famous chief emphasizes that Sitting Bull's fame does not rest upon the death of Custer's five troops. Had he been twenty miles away shooting antelope that morning, he would still remain the greatest of the Sioux. The stirring account of the death throes of a mighty nation and its leader is the story of the greatest of the Sioux and his struggle to keep his people free and united. The Sioux were formidable warriors, as attested to by men who fought against them like General Anson Mills, who said, "They were the best cavalry in the world; their like will never be seen again, but they were up against an overwhelming tide of soldiers, homesteaders, and bureaucrats." Sitting Bull fought long and hard, and he was a statesman, one of the most farsighted we have had, but statesmanship could not prevail against such odds. This powerful biography of Sitting Bull is brought to a new generation of readers in this new and expanded edition, for much new material had been added to the original edition published in 1932 that could not be disclosed while the informants were still living. Sitting Bull is a moving account of the epic courage of one man in the face of his inevitable defeat as the last defender of his people's rights.
