

The background of the entire image is a classical painting. It depicts a muscular man, likely a hero or a deity, wrestling a large lion. The man is shown from the waist up, leaning over the lion, with his right arm raised and hand on the lion's head. The lion is shown from the side, its body arched under the man's weight. The scene is set on a rocky or uneven ground. The overall style is that of a 19th-century academic painting, with strong contrasts of light and shadow, emphasizing the physical strength of the figures.
