After several failed attempts, she becomes painfully aware it's going to take extreme measures to make him talk. Meanwhile, the Blood King finally sets into motion his long-term plan to enter the Gates of Hell and finish something his idol, Captain Cook, could never do: discover the shocking secrets hidden within while launching multiple terrorist attacks and an all-out war against the islands of Hawaii. With nothing more than an ancient map left behind by Captain Cook, Drake and his team must follow the Blood King through a deadly maze in the heart of a volcano.
