Translated! Sunny Isuekebhior,2013-09-01 Salvation the chief subject of the Christian faith is an inexplicably neglected subject in the subjects and contents of today s Christian literature consequently there is so little understanding about this foundation many church people don t know how to explain the new birth and an astonishing number of people in churches are not born again Now it seems good to the Holy Spirit and to us to write a timeless classic on this foundational area Translated is perhaps the most unique book so far written on salvation and fills a gaping void Translated reads like a terrific novel of distinct and yet uniquely connected stories it provides answers to many questions that have begged answers for generations How do the Words of Jesus connect with the happenings and news headlines in our world today Did Jesus address homosexuality terrorism wars and global warming Why did Jesus use the expression Ye must be born again Considering how important it is to be born again why did Jesus only use that expression when talking to Nicodemus Why did Jesus never use the words Born again after the night meeting with Nicodemus If to be born again is the most important ingredient of the Christian faith and if the New Testament is a continuation of the old why was the expression born again never used in the Old Testament How does the story of Zacheus in Luke exemplify translation What did Jesus want us to learn by giving salvation to the thief on the cross just before He gave up the ghost What connects the story of the woman of Samaria at the well with that of Zachues and the thief on the cross Have you ever wondered how some of the key leaders in the body of Christ all over the world got saved Why is it so important for people to make an open confession of their faith before they can be saved How do natural things help us understand the power of translation Why did Jesus use the word Kingdom more than 100 times in the gospels of Matthew Mark Luke John What is the difference between the power of darkness and the kingdom of God How can believers in Jesus discover their calling Why do some preachers make little or no emphasis on translation salvation and the kingdom of God How can I spot a false preacher or ministry Why should I believe in Jesus Why is salvation so scarce among celebrities

'The Real Scriptures' of God - Old Testament James Platter, 2012-11 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973
