should be able to connect to it Let me tell you about some of the things that are happening on right now It has nothing to do with race It has nothing to do with what is going on in this country What s going on in this country is that a monster from hell is attempting to kidnap children and claim them as his own I m telling you some of us aren t aware of this and believe that all children are safe They re good they re secure Let me say something now I know that there are more sexual encounters going on between children as young as 12 13 years old than you might expect Don t assume that simply because you think so your child is always safe I m not here to create a following I want you to be aware that Satan is use television Hollywood and even book authors to bring us down Satan is using them to entice children into disobedience Apps which can be downloaded to any phone are being used to entice and divert the children **A Discovery of Witches** Deborah E.
