Commentary on the Book of Proverbs: Bible Study Notes and Comments David Pratte, 2018-12-26 Bible study notes and commentary on the Old Testament book of Proverbs Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Topics discussed include wise sayings about Wisdom and instruction Speech Anger and control of temper Relations between parents and Commentary on the Book of Genesis: Bible Study Notes and Comments David Pratte, 2018-12-20 Bible study notes and commentary on the Old Testament book of Genesis Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the perspective of faith in the Bible as the absolute inerrant verbally inspired word of God Comments include discussion of these topics Are Bible accounts of creation and the flood literal history Can organic or theistic evolution be harmonized with Scripture Are the days of Genesis 1 literal or symbols of long ages Were Adam and Eve the first man and woman How did sin and death enter the world Was Noah s flood worldwide or local What promises did God make to Abraham Isaac and Jacob about the nation of Israel How did Joseph interpret Pharaoh's dreams and save his family **The Joy of Exile** Andrew Spore, 2010-03-12 The Joy of Exile presents a well researched commentary on the last in Egypt book of the Bible It demonstrates Revelation's dependence on Old Testament imagery while exploring its transforming message for disciples in all times and places The Joy of Exile encourages readers to see this often misunderstood and misrepresented book as an encouraging guide to faithful discipleship in a rebellious world The Revelation of Saint **John** Zachary F. Lansdowne, 2006-05-01 The Revelation of St John the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world It's actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne's line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne's revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition The Spirituality of Following Jesus in John's Gospel Sean Seongik Kim, 2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John's Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term akolouthein to follow and correlated motifs in John s Gospel Hebrews, the General Epistles, and **Revelation** Margaret Aymer, Cynthia Briggs Kittredge, David A. hide in the blind spots of the Bible This collection of essays engages some of the subjects who face dispersion physical displacement that sparks ideological bias and othering ideologies that manifest in social distancing and political displacement These include among others the builders of Babel Samaritans Melchizedek Jezebel Judith Gomer Ruth slaves and mothers In addition to considering the drive to privilege or denounce the contributors also attend to subjects ignored because the Bible s blind spots are not examined These include planet Earth indigenous Australians Palestinians Dalits minjungs battered women sexual abuse victims religious minorities mothering men gays and foreigners This collection encourages interchanges and exchanges between dispersion and othering and between the Bible and context It flows in the currents of postcolonial and gendered studies and closes with a script that stages a biblical character at the intersection of the Bible s blind spots and modern readers passions and commitments The Methodist Review Quarterly, 1915 **Following the Lamb** Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost **Revelation** Ray C.
