*Deeply Broken* A. R. Wile,2022-06-26 Reimagined and Expanded with 10 000 more words than the original The torture was meant to break her but it was the truth that made her heart bleed She left this world believing she wasn t my everything It s the thought that replays in my head as I stare at the image of the life gone from her body her tangled brown hair fanning around her face as it hangs listless I didn t get to tell her that I didn t knowingly betray her before she was killed That I still loved her Now she ll never know and the whispered words on her last breath will never belong to me but the man she grew to love in my place He teeters on his knees next to me Inconsolable Both of us are in pieces on the floor And the only thing that keeps us from completely crumbling is the promise of finding her killer and making him pay \_\_\_\_\_ PLEASE NOTE This book contains sensitive subject matter If you are affected by triggers or have experienced serious trauma it may not be for you Not recommended for persons under 18 years of age \_\_\_\_\_ *Deeply Broken* is the second book in the Broken three book series and contains a cliffhanger Each book should be read in order to avoid any spoilers and to follow the continuity of the story Read the whole DAMAGED series The Broken Series 1 3 Tragically Broken *Deeply Broken* Beautifully Broken Companion Novels 4 6 Fractured Desolate Scorned     *Beautifully Broken* A. R. Wile,2022-06-26 Reimagined and Expanded with 40 000 more words than the original My mind forced me to forget the pain but when he walked back into my life my heart begged me to remember I blinked At the time I didn t think anything of it It was automatic A harmless bodily function I did often I didn t expect that the next time I opened my eyes I d be waking in a hospital room with a gunshot wound and a concussion Eight months forgotten I ve been told it s better that way To have my memories suppressed To forget the pain of everything I endured But if it was all so terrible then why does the stranger with the stormy chocolate brown eyes make my heart betray me Why does he make me feel things I have no right to feel when my heart belongs to someone else My hand instinctively flies to my neck sliding along the bumps popping up beneath my fingertips I feel like I

should already know how to read them And maybe I should Because the man in front of me connects me to my memories He s the reason I forgot The man who betrayed me Killed to protect me The reason my heart s been torn in two \_\_\_\_\_

Decker,2017-07-05 Bodies mangled limbs broken skin flayed blood spilled from paintings to prints to small sculptures the art of the late Middle Ages and early modern period gave rise to disturbing scenes of violence Many of these torture scenes recall Christ s Passion and its aftermath but the martyrdoms of saints stories of justice visited on the wicked and broadsheet reports of the atrocities of war provided fertile ground for scenes of the body s desecration Contributors to this volume interpret pain suffering and the desecration of the human form not simply as the passing fancies of a cadre of proto sadists but also as serving larger social functions within European society Taking advantage of the frameworks established by scholars such as Samuel Edgerton Mitchell Merback and Elaine Scarry to name but a few Death Torture and the Broken Body in European Art 1300 1650 provides an intriguing set of lenses

through which to view such imagery and locate it within its wider social political and devotional contexts Though the art works discussed are centuries old the topics of the essays resonate today as twenty first century Western society is still absorbed in thorny debates about the ethics and consequences of the use of force coercion including torture and execution and about whether it is ever fully acceptable to write social norms on the bodies of those who will not conform

handle such a precious gift What is it that causes us to walk away from the things of God Do we believe that God s standards are too high I refused to put my hope in statistics or in whether or not I was too old or whether or not all the good ones were taken gay or in prison My hope continued to rest in God s sovereignty over my life There was a preparation process before God brought me and my husband together because although I knew how to be a godly single woman I had no clue as to what it meant to be a godly wife My hope was in His ability to not only transform me into a wife one who is adaptable and complimentary to my husband but to orchestrate and align our paths to where we would one day come together and be united in marriage
