The Burning Bride English Edition:

The Burning Bride Manoj Kerai,2015-03-08 In India one woman is murdered every hour by her husband s family for a dowry The Burning Bride follows the story of Uma a newlywed woman She starts her new life with many dreams However her dreams turn into nightmares when her parents are unable to fulfil the dowry demands made by Madhu her mother in law The heaven she had imagined transforms into a hell and the worst part is there appears to be no escape Violence against women is high in India but the irony is that Indian people worship women in the forms of many goddesses The most commonly worshipped goddess is Durga who has nine forms Therefore The Burning Bride is told through nine women s perspectives The multiple perspectives highlights social psychological and cultural factors which allow the dowry system to claim so many lives every year At least 10% of the profits made from the sales of The Burning Bride will support the Asian Circle to fund Oxfam projects to end domestic violence in India

Burning Women P. Banerjee,2016-04-30 In early modern Europe the circulation of visual and verbal transmissions of sati or Hindu widow burning not only informed responses to the ritualized violence of Hindu culture but also intersected in fascinating ways with specifically European forms of ritualized violence and European constructions of gender ideology European accounts of women being burned in India uncannily commented on the burnings of women as witches and criminal wives in Europe When Europeans narrated their accounts of sati perhaps the most striking illustration of Hindu patriarchal violence they did not specifically connect the act of widow burning to a corresponding European signifier the gruesome ceremonial burnings of women as witches In examining early modern representations of sati the book focuses specifically on those strategies that enabled European travellers to protect their own identity as uniquely civilized amidst spectacular displays of Eastern barbarity

Bride of the Lamb Sergej Nikolaevič Bulgakov,Sergius Bulgakov,2002-02-14 Sergius Bulgakov is thought by many to be the twentieth century s foremost Russian Orthodox theologian The Bride of the Lamb is widely regarded as Bulgakov s magnum opus and even more as one of the greatest works ever produced in the modern Orthodox church This book is now available for the first time in English complete with an introduction to Bulgakov and his theological context For readers new to Russian religious thought The Bride of the Lamb presents a fresh approach to Christian doctrine Bulgakov examines issues of ecclesiology and eschatology from a sophiological perspective This distinctive Russian approach based on the doctrine of Sophia the wisdom of God sees the Creator and creation intimately linked as Divine humanity The Bride of the Lamb explores the nature of created beings the relationship between God and the world the role of the church and such eschatological themes as the second coming of Jesus resurrection and judgment and the afterlife Copyright Libri GmbH All rights reserved

Hazardous Mat(t)ers Ina Cumpiano,1996 'While the Bridegroom is with Them' Marianne Blickenstaff,2005-06-20 Interpreters of Matthew s Parable of the Wedding Feast 22 1 14 typically associate the king with God and then justify his violent attacks against city and guests interpreters of the Parable of the Ten Virgins 25 1 13 typically associate the bridegroom with Jesus

and then justify his extreme rejection of the foolish virgins Questioning such allegorical interpretations this study first details how Hebrew Greek and Roman texts depict without requiring allegorical understandings numerous bridegrooms associated not only with joy but also with violence and death Second this project appeals to the disruptive nature of parables the feminist technique of resisting reading and the Matthean Jesus's own ethical instructions to argue that in the parables those who resist violent rulers and uncaring bridegrooms are the ones worthy of the Kingdom The study then shows how the Matthean Jesus the brideless celibate bridegroom creates a fictive family by disrupting biological and marital ties redefining masculinity and undermining the desirability of marriage and procreation JSNTS 292 **Asian American Poets** Guiyou

Huang, 2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet's major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet's critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography *A New Dictionary of the*

English Language Charles Richardson, 1863 **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more

recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone
