The Early Barth - Lectures and Shorter Works Karl Barth, 2022-10-11 Karl Barth was the most influential theologian of the twentieth century and his work continues to inspire both fresh theological thinking and critical debate The period covered by the volumes in this series 1905 to 1933 saw Barth emerge from his training under such theological giants as Adolph von Harnack and Wilhelm Herrmann assert his rejection of liberal Protestant theology in his towering commentary on Romans and work through an earlier uncertainty to become a critic on theological grounds of the

rise of Nazism These volumes contain essays lectures academic papers correspondences editorials and other writings that were not previously translated into English and that provide insight into the development of Barth's theology during this crucial period of his life The Early Barth - Lectures and Shorter Works Karl Barth,2022-01-03 Karl Barth was the most

influential theologian of the twentieth century and his work continues to inspire both fresh theological thinking and critical debate The period covered by the volumes in this series 1905 to 1933 saw Barth emerge from his training under such theological giants as Adolph von Harnack and Wilhelm Herrmann assert his rejection of liberal Protestant theology in his towering commentary on Romans and work through an earlier uncertainty to become a critic on theological grounds of the rise of Nazism These volumes contain essays lectures academic papers correspondences editorials and other writings that were not previously translated into English and that provide insight into the development of Barth's theology during this crucial period of his life The Epistle to the Ephesians Karl Barth,2017-05-02 Karl Barth is widely acknowledged as one of

the great theologians of the church This masterful example of theological interpretation of the biblical text presents Barth's insights on an important Pauline epistle In 1921-22 Barth taught a course on the exposition of Ephesians at the University of Göttingen lecturing from a detailed and carefully researched manuscript The resulting lectures now available in English for the first time introduce theological and exegetical issues pertinent to the study of Ephesians Introductory essays by world renowned scholars Francis Watson and John Webster are included **The Early Barth - Lectures and Shorter Works**

Karl Barth,2023-10-17 Volume 2 of these previously untranslated to English works covers the period in Barth's career when he served as a pastor first in Geneva and then in Safenwil and up through the point where his theology takes a decisive turn in response to the outbreak of the First World War **The Christian Life** Karl Barth,1981 **The Theology of**

Schleiermacher Karl Barth,2020-05-27 Barth's challenge to Schleiermacher's liberalism Brilliant and comprehensive

The Word of God and Theology Karl Barth,2011-05-05 A brand new edition of Karl Barth's seminal essays first published in 1924 **God In Action** Karl Barth,2005-11-01 In this series of lectures delivered in the period immediately

preceding World War II Barth addresses the major topics of systematic theology The reader gets a glimpse of the depth of Barth's thinking in these brief discourses which he expanded upon greatly in his major work Church Dogmatics In an Appendix Barth answers question from the audience regarding the last essay Contents 1 Revelation 2 The Church 3 Theology 4 The Ministry of the Word 5 The Christian as Witness Appendix *The Early Barth* Karl Barth,2022 **Colin Gunton's**

Trinitarian Theology of Culture Andrew Picard,2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard

argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church's particular calling to embody such praise through its visible life in community The study concludes by intersecting Gunton's theology with the social sciences to critique ableism and consider the politics of the church's belonging in community

The Word of God and Theology Karl Barth, 2011-07-07

C.S. Lewis—The Work of Christ Revealed P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefiguration In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefiguration intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work

Covering Up Luther Rustin E. Brian, 2013-03-13 Karl Barth's Christology provides a key to our narrating the Deus absconditus which as Rustin Brian contends is in fact the god of modernity Included in this is the rejection of the logical and philosophical systems that allow for the modern understanding of God as the Deus absconditus namely dialectics and nominalism This rejection is illustrated interestingly enough in Barth's decision to literally cover up with a rug Martin Luther's works in his personal library Surely this was more than a decorative touch The reading of Barth's works that results from this starting point challenges much of contemporary Barth scholarship and urges readers to reconsider Barth Through careful examination of a large body of Barth's writings particularly in regard to the issues of the knowledge or knowability of God as well as Christology Brian argues that contemporary Barth scholarship should be done in careful conversation with the finest examples of both Protestant and especially Roman Catholic theology Barth's paradoxical Christology thus becomes the foundation for a dogmatic ecumenicism Barth's Christology then just might be able to open up possibilities for discussion and even convergence within a church that is anything but one

What is it that the Scripture Says? Philip McCosker, 2006-01-01 A volume of essays that celebrate and pay tribute to the enormous contribution to scriptural studies that Henry Wansbrough has made over the last 50 years

Trinity and Humanity Uche Anizor, 2018-02-27 Colin Gunton is regarded by many as one of the most important English theologians of the twentieth century A prolific writer and creative thinker Gunton taught at King's College London for over thirty years until his untimely death in 2003 In this first single

authored introduction to Gunton's theology Uche Anizor traces the key theological themes major contributors and criticisms of his work Each chapter provides a synthesis and overview of Gunton's thought on a particular doctrine or set of doctrines calling attention to the Trinitarian shape of his theology In *Trinity and Humanity* Anizor provides a handy entrance into the corpus of this major thinker

The Claim of God Ethan A Worthington, 2016-01-28 Through close readings of Karl Barth's theological work from 1916 to 1929 this book offers an exposition of Barth's doctrine of sanctification in his earlier theology arguing that from his earliest writings after 1915 the doctrine of sanctification was one of the key theological components used in describing the encounter between God and humanity in a positive and concrete manner This book both fills an important gap in Barthian scholarship and responds to the appeal by other recent interpreters of Barth's theology for a more balanced and careful exposition of his work Throughout the course of this exposition the force of Eduard Thurnyesen's wonderfully insightful comments about Barth show themselves to be fruitfully borne out within his work from early on That is Karl Barth's theological thinking was from the beginning directed to the life of man the life of man on the one side and on the other the Word of God that meets this life lays hold of it and transforms it

The Domain of the Word John Webster, 2012-06-28 The book brings together a set of related studies on the nature of Scripture and of Christian theology by one of the most prominent representatives of Protestant theology of our time After a brief introduction on the setting of the book and its major themes the first part of the volume examines topics on the nature and interpretation of Scripture A comprehensive proposal about Scripture and its interpretation is followed by a study of Scripture as the embassy of the risen Christ and by three related chapters analyzing the ways in which widely different major modern theologians Barth T F Torrance and Rowan Williams have understood the nature and interpretation of the Bible The second part of the volume makes a cumulative proposal about the nature and tasks of Christian theology examining the fundamental principles of systematic theology the distinctive role and scope of reason in Christian theology the relation of theology to the humanities and the vocation of theology to promote the peace of the church

Karl Barth's Emergency Homiletic, 1932-1933 Angela Dienhart Hancock, 2013-07-20 What does a theologian say to young preachers in the early 1930s at the dawn of the Third Reich What Karl Barth did say how he said it and why he said it at that time and place are the subject of Angela Dienhart Hancock's book This is the story of how a preaching classroom became a place of resistance in Germany in 1932-33 a story that has not been told in its fullness In that emergency situation Barth took his students back to the fundamental questions about what preaching is and what it is for returning again and again to the affirmation of the Godness of God the only ground of resistance to ideological captivity No other text has so interpreted Barth's *Exercises in Sermon Preparation* in relation to their theological political ecclesiastical academic and rhetorical context
