

Captured at the Battle of the Bulge

Memoir of a P.O.W.
by Sgt. E. Russell Lang

The Battle Of The Bulge A Memoir

Raymond H. Geselbracht

The Battle Of The Bulge A Memoir:

My War Sheldon Zerden, 2014-08-05 I may be one of the few remaining veterans of World War II who can write a book which tells the story of the Battle of the Bulge World War II and the years of the Great Depression preceding it from personal first hand experience After my youth as a first generation American in Brooklyn NY I was proud to serve as a combat medic with the First Infantry Division the Big Red One This personal memoir was written by a person who is actually unknown and has not gained the fame of celebrity My feeling is that self esteem is reward enough for my accomplishments A Purple Heart The Bronze Star and The Combat Medic Badge are my Tony Emmy and Oscar Enjoy my story both quintessential of the times and full of unique experiences as I take you through my childhood during the Great Depression through my service to my country during World War II Captured at the Battle of the Bulge E. Russell Lang, 2016-11-08 In December of 1944 Russ Lang and the rest of the 106th Infantry Division had just arrived at the front lines in Europe when the Germans launched the all out counter attack we call The Battle of the Bulge Surrounded his regiment fought until their ammunition and supplies were exhausted Lang spent the rest of the war in as a German P O W and he kept a diary Here the tale of a young man caught in the drama of World War II Captured at the Battle of the Bulge E. Russell Lang, 2015-03-25 In December 1944 a young American soldier s division newly arrived in Europe was sent to the front line to a quiet position on the Belgian German border Days after their arrival the Germans launched the great counterattack that came to be called the Battle of the Bulge Russ Lang and his regiment were soon encircled They attacked until their supplies and ammunition were exhausted then held out until circumstances forced them to surrender Captured at the Battle of the Bulge is Russ Lang s memoir of his service before and during the battle the hardships he encountered in a series of German stalags and the joy of liberation as the Germans were overcome The diary Lang kept as a prisoner of war is included with additional notes that could not be written down while he remained in the power of his captors Captured at the Battle of the Bulge is a fascinating personal and historical document Alamo in the Ardennes John C. McManus, 2008-10-07 A comprehensive and vivid account of the heroic defense of Bastogne McManus has taken a great old story and made it new again Rick Atkinson Pulitzer Prize Winning Author of *An Army at Dawn* During the Battle of the Bulge the 101st Airborne made their legendary stand at Bastogne But their heroics never could have happened if not for the unsung efforts of others This is the powerful yet little known story of the bloody delaying action fought by the 28th Infantry Division elements of the 9th and 10th Armored Divisions and other smaller units Outnumbered and outgunned they made the Germans pay for every icy inch of ground they gained It was their gallant efforts that allowed the 101st Airborne to reach and fully occupy Bastogne and prepare for the ferocious attack to come Featuring numerous helpful maps and a complete list of the soldiers local civilians and German commanders whose actions it recounts *Alamo in the Ardennes* provides a compelling day by day account of this pivotal moment in America s greatest war *I Was No Hero in the Battle of the Bulge* Harry Martin, 2016-06-06 This is the story of Harry F Martin Jr who

fought in the Battle of the Bulge in World War Two In his own words We were going to a quiet sector on the front lines This was an area where combat troops were sent to rest and green troops like us were sent to gradually break in The Germans did the same thing in this sector The Americans had gone into combat at the Normandy invasion on June 6 1944 and fought their way just inside Germany securing a foothold in the Siegfried Line in the Ardennes Forest When our total offensive slowed down in September the Ardennes Line remained stable up to the present time There had been no real activity in this area for nearly three months We were greatly relieved that we were not going directly into combat Parts of Harry Martin s story have been used by three other authors in their books about the Battle of the Bulge and his story has been told in numerous magazines and newspapers This book is his entire story which is now being made available to the public for the first time

Band of Strangers James K. Cullen,2018-10-13 James K Cullen is a retired business executive and veteran of The Battle of The Bulge During the second world war as an army staff sergeant he trained infantrymen for battle then volunteered to go to Europe and enter the trenches himself He was awarded four battle stars Normandy Northern France Ardennes and Germany Bronze Star Purple Heart with Oak Leaf Cluster Combat Infantry Badge and the Belgian fourrag re of 1940 Once the war ended he returned to life as a civilian He earned a Bachelor of Arts degree from Colgate University on the GI Bill Mr Cullen has been married to the love of his life for over fifty years He has two children and five grandchildren He is active in veterans groups including the Battle of the Bulge Group and has participated in a reenactment of the Battle of The Bulge with a group of WWII re enactors in Washington state James K Cullen is 95 years old Band Of Strangers is his first book **Engineer Memoirs** United States. Army. Corps of Engineers,1998 **Snow and Steel** Peter Caddick-Adams,2014-10-31 Between December 16 1944 and January 15 1945 American forces found themselves entrenched in the heavily forested Ardennes region of Belgium France and Luxembourg defending against an advancing German army amid freezing temperatures deep snow and dense fog Operation Herbstnebel Autumn Mist was a massive German counter offensive that stunned the Allies in its scope and intensity In the end the 40 day long Battle of the Bulge as it has come to be called was the bloodiest battle fought by U S forces in World War II and indeed the largest land battle in American history Before effectively halting the German advance some 89 000 of the 610 000 American servicemen committed to the campaign had become casualties including 19 000 killed The engagement saw the taking of thousands of Americans as prisoners of war some of whom were massacred by the SS but it also witnessed the storied stand by U S forces at Bastogne as German forces besieged the region and culminated in a decisive if costly American victory Ordered and directed by Hitler himself against the advice of his generals the Ardennes offensive was the last major German offensive on the Western Front In the wake of the defeat many experienced German units were left severely depleted of men and equipment Its last reserve squandered these irreplaceable losses would hasten the end of the war In Snow and Steel Peter Caddick Adams draws on interviews with over 100 participants of the campaign as well as archival material from both German and US sources to offer an engagingly written

and thorough reassessment of the historic battle Exploring the failings of intelligence that were rife on both sides the effects of weather and the influence of terrain on the battle's outcome Caddick Adams deftly details the differences in weaponry and doctrine between the US and German forces while offering new insights into the origins of the battle the characters of those involved on both the American and German sides from the general staff to the foot soldiers the preparedness of troops and the decisions and tactics that precipitated the German retreat and the American victory Re-examining the SS and German infantry units in the Bulge he shows that far from being deadly military units they were nearly all under strength short on equipment and poorly trained kept in the dark about the attack until the last minute they fought in total ignorance of their opponents or the terrain Ultimately Caddick Adams concludes that the German assault was doomed to failure from the start Aided by an intimate knowledge of the battlefield itself and over twenty years of personal battlefield experience Caddick Adams has produced the most compelling and complete account of the Bulge yet written

A Patriot's Memoirs of World War II Luciano Louis Charles Graziano, 2018-12-23 It was January 1943 when twenty-year-old Louis Graziano received a letter from Uncle Sam ordering him to report to Fort Niagara New York for a physical Although he knew the United States was at war he had no idea what was ahead of him After making a promise to dutifully defend his country Louis never realized how much his military experience would change the course of his life In a memoir that reveals the good bad and ugly of war and beyond Louis leads others through his life experiences via personal stories and historical photographs that provide a candid glimpse into what it was like to be a young soldier before during and after World War II While revealing his experiences and thoughts Louis demonstrates how he exhibited courage amid heartbreaking loss trusted God to protect him and found love with a beautiful fellow soldier Among his documented experiences were landing with the third wave on D Day on Omaha Beach fighting the Battle of the Bulge and witnessing the signing of the Instrument of Surrender at the Little Red Schoolhouse Included are personal letters and commendations as well as interesting historical facts A Patriot's Memoirs of World War II shares a veteran's personal story and photographs that document his experiences during the biggest and deadliest war in history

The Memoirs of Harry S. Truman Raymond H. Geselbracht, 2019-11-25 This new Reader's Edition of Harry Truman's memoirs removes the overload of detail and reproduced historical documents reduces the bloated cast of characters clarifies the often confusing balance between chronological and thematic presentation and corrects some important problems of presentation that made the two volumes of Truman's memoirs published in 1955 and 1956 difficult to read and enjoy This new edition reduced to half the length of the original text offers a new generation of readers the thrill of hearing the unique and authentic voice of Harry S Truman probably the most important president of the last seventy-five years telling the story of his life his presidency and some of the most important years in American history

In The Company Of Heroes: The Memoirs of Captain Richard M. Blackburn Company A, 1st Battalion, 121st Infantry Regiment - WW II Jerald W. Berry, 2013 Never before in the history of the world had there been such cataclysmic destruction until World War

II The entire face of the earth changed as millions died and entire cities were razed to rubble World War II was the harbinger of the Holocaust and the herald of the Atomic Age For Americans it was a time of intense patriotism and sacrifice in the cause of freedom throughout the world Follow an American infantryman as he goes to war in the European Theater of Operations Walk with him among the treacherous hedgerows of Normandy and through the bitter cold of winter in Germany See through his eyes the death destruction and depravation of a world gone mad From the beaches of Normandy to the gates of Nazi Germany read of heroic deeds and ultimate sacrifice The vivid accounts of 1Lt Richard Blackburn represent history in its purest form a firsthand story of how The Greatest Generation stepped up to save the world and the freedom we cherish as Americans I was no hero but I am honored to have served in the company of heroes those who gave the ultimate sacrifice and rest forever under white crosses in the far away places they helped to liberate Richard M Blackburn U S Army Ret **Not Me! The World War II Memoir of a Reluctant Rifleman** , Once Upon a Time in War Robert E. Humphrey, 2014-02-06 For the soldier on the front lines of World War II a lifetime of terror and suffering could be crammed into a few horrific hours of combat This was especially true for members of the 99th Infantry Division who repelled the Germans in the Battle of the Bulge and engaged in some of the most dramatic hard fought actions of the war Once Upon a Time in War presents a stirring view of combat from the perspective of the common soldier Author Robert E Humphrey personally retraced the path of the 99th through Belgium and Germany and conducted extensive interviews with more than three hundred surviving veterans When Humphrey discovered that many 99ers had gone to their graves without telling their stories he set about to honor their service and coax recollections from survivors The memories recounted here many of them painful and long repressed are remarkable for their clarity These narratives seamlessly woven to create a collective biography offer a gritty reenactment of World War II from the enlisted man's point of view Although focused on a single division Once Upon a Time in War captures the experiences of all American GIs who fought in Europe For readers captivated by Band of Brothers this book offers an often tragic sometimes heartwarming but always compelling read Memoirs of a German Boyhood Wolfgang Schueller, 2012-10-17 Another Time Another Place Once in a dream I saw my mother and my father waltzing She wore a long pink gown with a lace overskirt of white apple blossoms She was smiling and my father wore a dark green tunic like a Prussian prince red and gold braid adorned his collar The cuffs of his sleeves were trimmed with red and gold braid There was a dark gold stripe on his gray trousers His black boots had fur at the top My sister was playing in the garden where the apple trees were in bloom she was laughing and running with her dog My brother and I were climbing the mountain in our shorts and when we ran back down the trail we giggled because there were pretty girls sitting near the lake When we walked in the sandy shallow water it sparkled like diamonds as the sun warmed our feet and our legs But it was only a boy's dream of my Fatherland now I see clearly the way it really was because now I am a man The grace and beauty of the Fatherland did not betray us the truth did World War II Memoirs: The European Theater (LOA #385) Charles B. Macdonald, J. Glenn

Gray, Mary Lee Settle, Elmer Bendiner, 2024-11-19 On the 80th anniversary of the war's end 5 classic memoirs capture firsthand the shock, terror, and courage of the American fight against the Axis powers in Europe. The emotional environment of warfare has always been compelling, writes J. Glenn Gray in his incomparable World War II memoir and meditation *The Warriors*. Reflection and calm reasoning are alien to it. The struggle to make sense of the experience of war to find some meaning in the savagery and senseless destruction animates the five brilliant and unforgettable memoirs gathered here.

Company Commander 1947 by Charles B. MacDonald describes with startling immediacy and candor the cold, dirty, rough, frightened, miserable life of the infantryman and company commander from the aftermath of D Day in September 1944 through the war's terrifying final days.

The Warriors 1959 by J. Glenn Gray, a counterintelligence officer who served in Italy, France, and Germany and a scholar with a PhD in philosophy, is a sensitive and revelatory meditation on the nature of war and its effects on both soldiers and civilians, interspersed with his letters, journals, and wartime memories.

All the Brave Promises 1966 is novelist Mary Lee Settle's memoir of her year as an airfield radio operator in the Royal Air Force. Settle brilliantly evokes both the working-class culture of the Women's Auxiliary Air Force's other ranks and the petty and demeaning regimentation inherent in military life.

The Fall of Fortresses 1980 by former B-17 navigator Elmer Bendiner vividly recalls the fear and excitement he experienced flying bomber missions deep into Germany in 1943 without fighter escort.

The Buffalo Saga 2009 is James Harden Daugherty's heartfelt account of his frontline service as a Black soldier in the 92nd Infantry Division as he fights the Germans, endures the harsh Italian winter, and confronts the racism of his own army.

This deluxe Library of America volume includes full-color endpaper maps of the European Theater, an eight-page photo insert, an introduction by West Point professor Elizabeth D. Samet, and detailed notes.

World War II A.J. Kingston, 2023-02-20

World War 2: Beyond the Battlefield is a comprehensive and illuminating account of one of the most significant and transformative events in human history. This book offers a unique perspective on the war, highlighting the human side of the conflict and exploring the social, political, and cultural impact of the war on a global scale. Throughout the book, you will be taken on a journey through the experiences of soldiers, civilians, and political leaders from around the world. The complex and often difficult decisions that shaped the course of the war are examined along with the lasting impact of the war on the world. This book is a must-read for anyone seeking to gain a deeper understanding of World War II. With its exploration of the human and social dimensions of the war, *World War 2: Beyond the Battlefield* offers a unique and valuable perspective on this transformative event in human history.

The Ardennes, 1944-1945 Christer Bergström, 2014-12-19 A comprehensive photo filled account of the six week long Battle of the Bulge when panzers slipped through the forest and took the Allies by surprise In December 1944 just as World War II appeared to be winding down Hitler shocked the world with a powerful German counteroffensive that cracked the center of the American front The attack came through the Ardennes the hilly and forested area in eastern Belgium and Luxembourg that the Allies had considered a quiet sector Instead for the second time in the war the Germans used it as a stealthy avenue of approach for their panzers Much of US First Army was overrun and thousands of prisoners were taken as the Germans forged a fifty mile bulge into the Allied front But in one small town Bastogne American paratroopers together with remnants of tank units offered dogged resistance Meanwhile the rest of Eisenhower s broad front strategy came to a halt as Patton from the south and Hodges from the north converged on the enemy incursion Yet it would take an epic six week long winter battle the bloodiest in the history of the US Army before the Germans were finally pushed back Christer Bergström has interviewed veterans gone through huge amounts of archive material and performed on the spot research in the area The result is a large amount of previously unpublished material and new findings including reevaluations of tank and personnel casualties and the most accurate picture yet of what really transpired from the perspectives of both sides With nearly four hundred photos numerous maps and thirty two superb color profiles of combat vehicles and aircraft it provides perhaps the most comprehensive look at the battle yet published

The Battle Of The Bulge A Memoir Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Battle Of The Bulge A Memoir PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Battle Of The Bulge A Memoir PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of The Battle Of The Bulge A Memoir free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Battle Of The Bulge A Memoir Books

1. Where can I buy The Battle Of The Bulge A Memoir books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
