Life's A Drag! Peter Underwood, 1974 While it is true that there have been forms of drag both private and public since earliest times as a form of modern entertainment drag in recent years has developed into a phenomenon which is now a world wide multi million pound entertainment industry in itself This penetrating study giving a depth background of the world drag scene is however primarily a book about one drag artist the hugely successful Danny La Rue himself a veritable Industry of Drag and unquestionably the highest paid performer of his type in the world Strangely no one has previously written a book about Danny la Rue probably because he is a very private person despite his huge public persona To write this work Peter Underwood the well established author of the highly successful Boris Karloff biography and other books researched widely and interviewed nearly seventy people close to the drag star people who have worked with Danny la Rue both on and off stage over many years The result is this absorbing story of a unique star which intimately surveys the life and work of the Irish Danny la Rue He started on the stage in a village hall later joined the Navy at 17 and became in turn a window dresser chorus boy and then left the stage to work in a shop returning to the theatre and the chorus to become a dancer and drag artist in an all male show which he left because he couldn't stand it He was eventually spotted

in a small revue at London's Irving Theatre and offered his big chance in cabaret at Bond Street's Churchill Club. So began the real success story of the fabulous Danny la Rue: a succession of successes. His own exclusive night club recordings, countless pantomime hit shows, two Royal Command Performances, his first film, his three homes, three cars, greyhounds and racehorses, his hugely successful summer seasons, television appearances, and the acclamation by the Variety Club of Great Britain as Show Business Personality of The Year. Surrounding the story of the inimitable Danny la Rue is a vivid examination of the Drag Scene which has projected Danny's success: how it has become a major entertainment phenomenon in top theatres, on TV, films, and in pubs and clubs throughout the world. Author Underwood relevantly appraises the lure of drag, the pleasures and the pain, the hard work, the dangers, and the impact of what is daily becoming an ever-growing phenomenon of the twentieth century's Permissive Age.

The Game Changer Philip Pallette, 2005-03-11 Hank the nimble, Hank the quick, Hank the human corkscrew, Hank as fast as light, Hank the rubber-boned man wrote Roy Cummings after seeing a 19-year-old Hank Luisetti perform for the first time in 1936. Cummings sat alone in a deserted gym, trying to describe to his readers what he had just witnessed on the basketball court. Luisetti, who learned the game to a background chorus of fog horns and gulls on San Francisco Bay, would later that year introduce New York's basketball legions to the jump shot. Now Philip Pallette has created a riveting account of the basketball life of this eminently shy and decent young man who transformed Stanford basketball from a group of fun-loving dabblers into national champions. *The Game Changer* is a book that rediscovers the long forgotten adulation basketball fans felt for Luisetti by tracing his journey from boyhood on to becoming basketball's first matinee idol and the man who changed basketball forever.

A History of Cannon Mountain Meghan McCarthy McPhaul, 2011-06-14 Join author and longtime Cannon skier Meghan McCarthy McPhaul to learn about the history of this historic mountain that is steeped in legends and lore. Rising at the western edge of New Hampshire's magnificently beautiful Franconia Notch State Park, the granite-domed mountain has been the playground of skiers since the 1930s. Here the country's first down mountain ski trail was cleared in 1933, the first aerial tramway was built on the mountain, and the first professional ski patrol was established. More than a dozen members of the U.S. Ski Hall of Fame, whose contributions to the sport include historic racing feats, the development of ski techniques, and designing countless ski areas across the country and around the world, have called Cannon their home hill.

Capital of the World David Wallace, 2012-09-04 In the same absorbing style that characterized his bestseller *Lost Hollywood*, David Wallace presents a the Prohibition era personalities and events that made New York City the cultural and financial capital of the world. Sex, sin, song, work, sports, play: all these aspects of New York and more are told through a rich array of anecdotes and inside profiles of the individuals that personified them in a defining decade. As no book has to date, *Capital of the World* brings alive New York during a period that saw speakeasies, the rise of the Mafia, women achieving the right to vote, the birth of radio and mass communication, and the beginnings of gossip as a business. This was also an era abuzz with the arts, film, fashion, jazz, baseball, and boxing. Among the

many personality driven themes so richly addressed in Capital of the World Sherman Billingsely's Stork Club and Prohibition Martha Graham and modern dance Babe Ruth and sports David Sarnoff and radio Alexander Woollcott Dorothy Parker and the rest of The Round Table Lucky Luciano and organized crime Mayor Jimmy Gentleman Jim Walker and politics Madam Polly Adler and the brothels Walter Winchell and the birth of gossip journalism The Cotton Club and the Harlem Renaissance And much more

Ferocious Ambition Robert Dance, 2023-10-12 Robert Dance's new evaluation of Joan Crawford looks at her entire career and while not ignoring her early years and tempestuous personal life focuses squarely on her achievements as an actress and as a woman who mastered the studio system with a rare combination of grit determination beauty and talent Crawford's remarkable forty five year motion picture career is one of the industry's longest Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America In the early 1940s Crawford's risky decision to move to Warner Bros was rewarded with an Oscar for Mildred Pierce This triumph launched a series of film noir classics In her fourth decade she teamed with rival Bette Davis in Whatever Happened to Baby Jane proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand's leading ambassador Overlooked in previous biographies has been Crawford's fierce resolve in creating and then maintaining her star persona She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery's grandmother But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon

Dispute Resolution in Sport David McArdle, 2014-09-19 An increasing number of sport disputes are being resolved by way of arbitration This is the first book to critically examine the processes and benefits of sport-specific arbitration as compared to litigation The book explores in depth the development of alternative dispute resolutions in sports paying particular attention to high profile institutions such as the

Court of Arbitration for Sport the FIFA Football Dispute Resolution Panel and important national level bodies and their relationship with national and international level actors such as the IOC WADA and the European Union It also examines in detail the legal frameworks within which sports arbitration systems operate considers their similarities with other arbitral bodies and considers the extent to which ADR in sport can be seen as a consequence of and perhaps a solution to the juridification of sports Offering a theoretical basis with which to understand the relationship between arbitration and litigation as well as providing guidance on key contemporary issues and best practice this book is important reading for students researchers and practitioners working in sports law sports management and administration sports politics sports ethics and international organisation

The Films of Delmer Daves Douglas Horlock, 2022-03-25 Delmer Daves 1904 1977 was an American screenwriter director and producer known for his dramas and Western adventures most notably Broken Arrow and 3 10 to Yuma Despite the popularity of his films there has been little serious examination of Daves s work Filmmaker Bertrand Tavernier has called Daves the most forgotten of American directors and to date no scholarly monograph has focused on his work In *The Films of Delmer Daves Visions of Progress in Mid Twentieth Century America* author Douglas Horlock contends that the director s work warrants sustained scholarly attention Examining all of Daves s films as well as his screenplays scripts that were not filmed and personal papers Horlock argues that Daves was a serious distinctive and enlightened filmmaker whose work confronts the general conservatism of Hollywood in the mid twentieth century Horlock considers Daves s films through the lenses of political and social values race and civil rights and gender and sexuality Ultimately Horlock suggests that Daves s work through its examination of bigotry and irrational fear and depiction of institutional and personal morality and freedom presents a consistent innovative and progressive vision of America
