The Bible, Its Author, and the People Within Jeffrey J. Hamilton, 2023-10-28 The Bible Its Author and the People Within will not only challenge you to take a good hard look at the things you ve learned throughout your Christian walk but will also teach you how to read the Bible It will then introduce you to the God of creation as well as many of the traditions customs and practices of the people dwelling within the ancient world The subject matter covered within these pages includes Israel s religious festivals the betrothal and wedding ceremony the bearing rearing and education of children the various occupations of the day the mourning preparation and burial of the dead as well as the hereafter Now you may be thinking Is this book something I should take the time to read Well that depends If you re someone who s willing to have your presuppositions and dearly held traditions challenged by God s Word you should read it If you re someone who s willing to deviate from the beaten path and follow the text of Scripture wherever it leads you should read it If you re someone who s willing to consider a perspective other than your own then yes you should read it If not then quite frankly you shouldn t Whether you re a thirty year veteran of the faith or a believer of only a few hours this book can greatly benefit you if you re willing to first read it and then further investigate its claims Generally speaking the way you interact with life depends on your perception of the world around you And as they say perception is reality But the problem with that is that a westerner s reality is not the reality of the easterner As a student of God s Word the only way you can benefit from what you read is to consider the culture the rituals the customs the traditions and the practices of those living within the biblical world Unfortunately more often than not this is the exception to the rule As westerners our tendency is to impose our worldview on to the text of Scripture This book will afford you the opportunity to get into the minds of the biblical writers While this book deals with some of the most common religious and social practices of the Israelites Building a Framework the second book focuses on the establishment of a divine council the history of creation the sin of the Watchers the birth of the giants Noah s flood the disinheriting of the inhabitants of the earth the calling of Abram the planting of Israel s heavens and earth along with their history the ministry of Christ the reclaiming of the nations and the destruction of Jerusalem and the temple in A D 70 The third book in this series Digging Deeper utilizes a handful of principles needed to accurately interpret the Scriptures This series of books is very easy to read These books are written in such a way that you should have no difficulty understanding the message conveyed Although there are several theological terms sprinkled throughout these works they are thoroughly explained for a better understanding of the Bible s meaning Additionally the

majority of the biblical passages utilized within these books are written out for your convenience The reason for this is simple First of all it minimizes the need for having to stop and look up each citation But more importantly it presents a biblical case for the assertions and conclusions drawn within each book I have to the best of my ability searched God s Word for the truth If you find what I have found then build on it and share it with others Assume nothing You have the responsibility to study the Scriptures for yourself and draw your own conclusions Book Review 1 For many years after being saved by our Lord Jesus Christ my wife and I read through the Bible every day and missed a lot of crucial things that we were trained not to think about We were trained not to see the big picture by the traditional churches and the bible studies we attended Many issues like timing audience relevance misunderstanding of how to make correct interpretations to name a few were placed in the back of our minds as if they were forbidden things to study It s Okay to be a Christian and Think finally liberated our minds because it taught us about critical thinking interpreting the Bible with the Bible and how without the correct time frame and audience relevance perspective everything we knew would easily crumble to the ground I dare you to seek the Scriptures without the presuppositions perpetuated for generations in the church John 5 39 44 NKJV says You search the Scriptures for in them you think you have eternal life and these are they which testify of Me But you are not willing to come to Me that you may have life I do not receive honor from men But I know you that you do not have the love of God in you So search the Scriptures but do not be afraid to think Miguel Elena Alonso Book Review 2 I am so thrilled and grateful that Jeff Hamilton has tirelessly put this book together because I m anxious to share it with my friends and family near and far For the past twenty some odd years I ve had the privilege of Jeff sharing his wisdom and the principles of interpretation that are key to understanding God s redemptive message I spent years trying to read the Bible only to lay it down each time frustrated with unanswered questions or confused that it appeared some things conflicted with other things Jeff has an effective systematic approach to teaching these principles that simplifies without dumbing down the rich context of the Bible With his help and His help I don t see any Scripture conflicting with any other now Granted I wanted to flee from some of his studies because he was introducing something I couldn t believe was in the Bible But he had never failed to prove these claims in the past so I knew I was about to be even more amazed at God s Word If you take the time to read Jeff s books be prepared to approach you studies with new fervor Cindy and Joe Bailey The Bible Cause John Fea,2016 The Bible Cause chronicles the role that the American Bible Society has played throughout America s history from its founding in 1816 to the present day as it has met the spiritual needs of Americans through the translation and publication of the Bible **Talking with the Bible** Donn Morgan,2013-02-01 The Bible is full of sound and fury just like the world that looks to it for answers It is also a powerful resource for understanding and moving beyond conflict Talking with the Bible helps readers understand how and why we have conversations with the Bible in our communities of faith There is no one way to talk with the Bible and no one way the Bible talks to us Rather there are a number of differing sometimes contradictory ways in which we understand the Bible in

conversation and as a dialogue partner Through studying scripture together and alone we can become more sensitive and adept at listening to and understanding one another **Herald of Gospel Liberty** Elias Smith,1918 **The Church** David Zac Niringiye,2014-12-14 In this day when Christians and churches are widely dispersed throughout the world the question Who is the church could easily be dismissed as irrelevant In this publication Bishop David Zac Niringiye pleads that as Jesus warned we should not be in haste to conclude that any community with religious titles or forms and who speaks the right language of Lord is authentic church Taking his cue from Hebrews 11 and 12 the author addresses the motif of the people of God looking first at the ancient people of Israel beginning with Moses then the new Israel and the covenant in Christ born through the Holy Spirit at Pentecost and finally the life of the new community the church during the apostolic era Through this biblical journey it is made clear that as the pilgrim people of God and the new community in Christ we must be marked by faith love and hope looking forward to the full consummation of the kingdom of God justice peace and joy fully realized when the new heaven and the new earth where righteousness dwells 2 Peter 3 13 is inaugurated *DISCOVERING THE ORIGINAL BIBLE* Edward D. Melick,Shera Melick,2010 A proposal on how to improve the way the Bible is taught to adult learners that focuses on life transformation and putting faith into action *Northwestern Christian Advocate* ,1902 **Christian Identity** E. M. Conradie,2005-07-01 This book is rooted in the quest for Christian identity in the Southern African context where Christianity is faced with many stark challenges internal tensions and experiences of rapid social change The book explores six aspects of the highly complex

notion of Christian identity namely Christian institutions a Christian ethos Christian rituals Christian experiences with specific reference to the notion of faith Christian narratives with specific reference to the category of revelation and the place of the Bible in the Christian tradition and Christian doctrine *Hope for the Afflicted* Jairo de Oliveira,2023-06-29 There is a humanitarian disaster unfolding before our eyes a global tragedy that affects men women and children We are referring to the largest humanitarian crisis of our generation which has shaped our world and produced over 100 million people forcibly displaced globally Amid such a challenging scenario the global church is called to consider some unavoidable questions such as How can Christians respond to the current migration crisis What are some resources available to Christians to help them transform this tragic reality What are some strategic approaches for bringing hope to asylum seekers and refugees In this book Jairo de Oliveira deals with these and many other related questions based on his interactions with the Fur a Muslim people group from Darfur Sudan living as asylum seekers and refugees in Jordan in the Middle East After providing a thorough historical background and cultural analysis of Fur the author commends a contextualization model and fruitful practices that emerged from his study of the people Hope for the Afflicted serves as a manual and practical guide for those who feel called to engage the current migration crisis by proclaiming the hope of the gospel and discipling asylum seekers and refugees worldwide The Sabbath Recorder ,1908 *Messages from the Universe: Genesis* Elbert H. Bolsen,2008-12-09 The book Messages from the Universe Genesis is a refreshing and personally candid view of Genesis The book views unity of all life as written in the Book of Genesis The book is intended to show the Bible as a living book that is screened through each person who reads and ponders its message It takes a look at each chapter of Genesis with the hope that each person who reads this book will be challenged to read Genesis from the perspective of finding his or her own truth Screening the message of the Bible through each individual makes the message no less from God and gives the Bible s message a more personal impact Messages from the Universe expresses belief that God is the energy and power of all life

Basis of Preaching Biblical Message: Preach the Word Rev Dr koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned

content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book
