The ladies in these erotic romance stories embrace their sexuality and find themselves in alpha males who are well-traveled, handsome, and dominant. They teach each other a lot about the world and develop intense feelings along the way. This collection contains:

1. **Friends Can be Lovers**: Jasmine is finally single and the guy who has been one of her best friends is suddenly fair game. They're both part of this group of friends that have been tight since college. Her friend Max always hated her boyfriend because he didn't treat her right, but they were never able to act on it. Now that the stars have aligned, they're taking a shot at getting to know each other as more than friends. Any drama between them can cause a rift in the entire group and can ruin a good friendship. They're ready to take a shot at it anyway. Will they sink or swim?
2. **On This Road With Him**: Angelica is a go-getter who never needed a man to get ahead and prided herself on that. She's at a crossroads because this situation with handsome young billionaire Jeff started out as a raunchy fling but appeared to be taking on a life of its own. Before she knew it, Angelica was getting girlfriend tendencies and shedding her tough girl shell. Likewise, Jeff was spending nearly every moment at home with his nagging wife, texting Angelica, and keeping the flame going. She never fancied herself the type to fall for a man that was with somebody else, but she was having a serious inner battle about how much longer she could be content as the chick on the side. Will they make the situation right or will it blow up in both of their faces?
