I'm going to have my uncle's friend watching everything I do now when will I ever be free of this? I should have gone out of the country. Maine was not far enough away. I wonder if it's too late to change my mind and go out of the country yes it probably is now what do I do well it's not like I will see him all the time. I mean I will be at school and work so when I do get home it will be late and if he is anything like my uncle he will be asleep by 9:00 pm so it may not be so bad. I can deal with this. I'm thinking as I drift off to sleep. Waking up to the alarm going off in my ear jumping up and realizing today is the day I will be leaving my parents home and making my way in the world. OMG I'm really going off to college today. The road to freedom is just around the corner. Then he knocks on my door. Looking like sin.
