The contributions attest to the thriving nature of African theatre and performance which in the face of these challenges has managed to retain its distinctiveness while at the same time acknowledging contesting and appropriating influences from elsewhere into an aesthetic that is identifiably African Consequently the three books are presented as a comprehensive exploration of the current state of African theatre and performance both on the continent and diaspora Performative Inter Actions in African Theatre 1 Diaspora Representations and the Interweaving of Cultures explores the idea that in and from their various locations around the world the plays of the African diaspora acknowledge and pay homage to the cultures of home while simultaneously articulating a sense of their Africanness in their various inter actions with their host cultures Contributions in Diaspora Representations and the Interweaving of Cultures equally attest to the notion that the diaspora as we see it is not solely located outside of the African continent itself but can be found in those performances in the continent that engage performatively with the West and other parts of the world in that process of articulating identity The Palgrave Handbook of Race and the Arts in Education Amelia M.
