**The Ambiguous Figure of the Neighbor in Jewish, Christian, and Islamic Texts and Receptions**  
Marianne Bjelland Kartzow,2021-09-12 This book examines an undertheorized topic in the study of religion and sacred texts the figure of the neighbor By analyzing and comparing this figure in Jewish Christian and Islamic texts and receptions the chapters explore a conceptual shift from Children of Abraham to Ambiguous Neighbors Through a variety of case studies using diverse methods and material chapters explore the neighbor in these neighboring texts and traditions The figure of the

neighbor seems like an innocent topic at the surface. It is an everyday phenomenon that everyone has knowledge about and experiences with. Still analytically it has a rich and innovative potential. Recent interdisciplinary research employs this figure to address issues of cultural diversity, gender, migration, ethnic relationships, war and peace, environmental challenges, and urbanization. The neighbor represents the borderline between insider and outsider, friend and enemy, us and them. This ambiguous status makes the neighbor particularly interesting as an entry point into issues of cultural complexity, self-definition, and identity. This volume brings all the intersections of religion, ethnicity, gender, and socio-cultural diversity into the same neighborhood, paying attention to sacred texts, receptions, and contemporary communities. *The Ambiguous Figure of the Neighbor in Jewish, Christian, and Islamic Texts and Receptions* offers a fascinating study of the intersections between Jewish, Christian, and Islamic text and will be of interest to anyone working on these traditions. *The Blackmail of Evelyn* Shirley Anne Edwards, 2015-05-24 Evelyn Faust suffers from horrible insomnia and paranoia. The summer before her senior year of high school should be one of the best summers of her life. But she's tormented by guilt and an addiction that haunts her every waking moment. Evelyn is a drug dealer who also craves the drug she sells. The money and the popularity that come with it aren't bad either. But when she's caught dealing on school property by Eric Wagner, the respected and admired police chief's son, the game is over. He won't snitch on her unless she gives him whatever he wants. Her being blackmailed, Evelyn has no one to turn to for help. Not her parents, who don't understand her rebellious nature, or her circle of friends, who only care about partying and getting high. When Adam Tristen moves in across the street and he wants to get to know her better, it all seems too good to be true. She must make a pact with the devil. Evelyn now looks over her shoulder wherever she goes, waiting for Eric to act on his threats. But Adam, the charming college sophomore, sees something special inside Evelyn and he wants to help her fix mistakes. In order to do that, she must confront a dark secret from her past that could destroy her family, her life, and her entire world as she knows it. She'll need to take a leap of faith. *The Blackmailed Bridegroom* Miranda Lee, 2011-03-21 Forced to marry his boss's daughter, a man discovers he has very real feelings for her in this sexy romance from a USA Today bestselling author. Each month there's a block party so everyone can be friendly with one another. It looks like the perfect place to live. Behind the facades of those beautiful homes lurk secrets, though.
