The Body Shop English Edition

Nora Haenn, Richard Wilk

The Body Shop English Edition:

The Canadian Renewable Energy Guide Solar Energy Society of Canada,1999 *The Environment in Anthropology* Nora Haenn,Richard Wilk,2006 Presenting ecology and current environmental studies from an anthropological point of view this book gives readers a strong intellectual foundation as well as offering practical tools for solving environmental problems

Corporate Social Responsibility Chris A. Mallin,2009-01-01 Finally a book that crosses the great divide between academia and practice a rare feat especially in edited volumes with scholarly contributions there is much to like about what the book does cover Wayne Visser Ethical Performance Mallin brings together academics and business experts to share a wide range of accounts from across the globe Readers will find insights and guidance on how countries and companies have tried to balance the perceived needs of often disparate groups James McRitchie CorpGov net Chris Mallin has put together a fine volume providing detailed insights into the global spread of CSR It wonderfully showcases the diversity and dynamics of CSR in different countries regions and key industries It is an essential read for everybody interested in the dialectics of global homogenization and local adaptation of CSR related management practices Dirk Matten York University Toronto Canada Professor Mallin has edited a remarkable range of studies illustrating how companies across the world regard and respond to their social responsibilities Her book will prove an invaluable source of information for everyone interested in comparative corporate social responsibility aided by the admirable learning points and questions following each case study It will also be turned to for guidance by investors concerned to promote corporate social values internationally Sir Adrian Cadbury Aston University Business School Birmingham UK Corporate Social Responsibility CSR is an area of increasing global interest with companies taking CSR issues more seriously devoting more resources to such issues and acknowledging the benefits of CSR activities This insightful book provides a comprehensive analysis of the development of CSR in a diverse range of countries including the UK Italy Poland Turkey the USA the Middle East Australia Japan and Korea Christine Mallin has brought together leading experts from both academia and the business world to provide fully up to date accounts of developments in CSR from a range of legal cultural and economic perspectives This timely resource will serve as an invaluable teaching and resource tool for advanced students and academics and will provide insights and guidance to the wider business community **Decisions and Orders of the National Labor Relations Board** United States. National Labor Relations Board,1970 **Building Corporate Accountability** Simon Zadek,Richard Evans,Peter Pruzan,2013-11-05

The practice of social and ethical accounting is emerging as a key tool for companies in the 1990s in response to calls for greater transparency and accountability to different stakeholders and as a means for managing companies in increasingly complex situations where social and environmental issues are significant in securing business success This is the first book to address the practice of social and ethical accounting auditing and reporting and its implications for the development of corporate social ethical and environmental responsibility It includes ten case studies as well as an historical overview of the

development of social and ethical accounting and reporting The editors introduce a methodological framework that allows emerging practice worldwide to be analysed understood and improved and the case studies are written by the practitioners giving insight into the experiences described This innovative book written by internationally acknowledged leaders in the field will be of enormous value to business managers particularly those with responsibility for corporate affairs human resources environmental management financial management or planning It will also be a useful text for business students

Beyond the Bottom Line Jack Quarter, 2000-09-30 Quarter examines business owners who use their firms as laboratories for social innovation After providing an introduction to this phenomenon in an historical perspective and discussing the 19th century British industrialist Robert Owen he provides 11 case studies of contemporary innovators from six countries the UK US the Netherlands Germany Canada and New Zealand The case studies fall into two broad groups The first involves business people who promote innovative ownership and decision making strategies such as donating their shares to a trust and thereby creating a company without shareholders so that employees can assume greater control creating a worker co operative and transferring ownership to employees through an employee stock ownership plan The second group of case studies involves innovative efforts at changing the relationship to the surrounding community through creating socially and environmentally responsible businesses Quarter concludes by looking at the potential and limitations of this phenomenon for building a social movement A provocative look at the social organization of work that will be of interest to scholars and researchers of industrial organization and to business leaders examining innovative ownership arrangements

The Green Multiplier L. Preuss, 2005-05-31 What contribution can industry make to environmental protection One corporate function has so far remained outside academic limelight namely purchasing and supply chain management This book seeks to redress the balance by putting forward a theory that places environmental responsibility firmly in the hands of supply chain managers the green multiplier By influencing purchasing decisions up and down the supply chains managers can make a difference to the world's natural environment

Strategy and Strategists James Cunningham, Brian Harney, 2012-03-29 Importantly this stimulating text

Ethics and Business Kevin Gibson, 2007-07-19 In this lively undergraduate textbook Kevin Gibson explores the relationship between ethics and the world of business and how we can serve the interests of both He builds a philosophical groundwork that can be applied to a wide range of issues in ethics and business and shows readers how to assess dilemmas critically and work to resolve them on a principled basis Using case studies drawn from around the world he examines topics including stakeholder responsibilities sustainability corporate social responsibility and women and business Because business can no longer be isolated from its effects on communities and the environment these concerns are brought to the forefront The book also captures the dynamic nature of business ethics in the era of globalization where jobs can be outsourced products are made of components from scores of countries and sweatshops often provide the cheap goods the public demands

Encyclopedia of Domestic Violence and Abuse Laura L. Finley, 2013-07-16 This comprehensive two

volume work examines domestic abuse in the United States and worldwide providing research personal stories and primary documents that reveal the extent of the problem An estimated 1 300 to 1 800 Americans are murdered by intimate partners each year Far from being a problem that only impacts women domestic violence hurts society as a whole both socially as well as financially with an estimated direct and indirect cost of nearly 6 billion annually in the United States This book provides a timely and thorough reference for educators students scholars and activists seeking to better understand the global issue of domestic abuse The entries document the history of the domestic violence prevention movement provide explanations for abuse identify warning signs of hidden abuse describe types of victims and offenders and supply information on interventions and prevention programs Written by an array of experts in the field the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation
