The Book Of Marijuana:

The Book of Pot Pamela Lloyd,1976 **It's Just a Plant: A Children's Story about Marijuana, Updated Edition**

Ricardo Cortés,2020-04-20 A beautifully illustrated picture book that gives parents a way to discuss marijuana with children without encouraging them to use it Funny offbeat a riot with a series of characters explaining the glory of cannabis to a young girl and her mother New York Post It s Just a Plant is a children s book that follows the journey of a young girl as she learns about the marijuana plant from a cast of characters including her parents a local farmer a doctor and a police officer Marijuana can be hard to talk about Many parents have tried it millions use it and most feel awkward about disclosing such histories often ducking the question for fear that telling kids the truth might encourage them to experiment too Meanwhile the drug facts children learn in school can be more frightening than educational blaming pot for everything from teenage pregnancy to terrorism A child s first awareness of drugs should come from a better source It s Just a Plant is a story for parents who want to discuss the complexities of pot with their kids in a thoughtful fact oriented manner The book also features an afterword by Marsha Rosenbaum PhD founder of the Safety First Project for drug education and director emerita of the San Francisco office of the Drug Policy Alliance the nation s leading organization working to end the war on drugs

Marijuana and Medicine Institute of Medicine,1999-07-10 The medical use of marijuana is surrounded by a cloud of social political and religious controversy which obscures the facts that should be considered in the debate This book summarizes what we know about marijuana from evidence based medicine the harm it may do and the relief it may bring to patients The book helps the reader understand not only what science has to say about medical marijuana but also the logic behind the scientific conclusions Marijuana and Medicine addresses the science base and the therapeutic effects of marijuana use for medical conditions such as glaucoma and multiple sclerosis It covers marijuana s mechanism of action acute and chronic effects on health and behavior potential adverse effects efficacy of different delivery systems analysis of the data about marijuana as a gateway drug and the prospects for developing cannabinoid drugs The book evaluates how well marijuana meets accepted standards for medicine and considers the conclusions of other blue ribbon panels Full of useful facts this volume will be important to anyone interested in informed debate about the medical use of marijuana advocates and

opponents as well as policymakers regulators and health care providers **Marijuana** David E. Newton,2017-01-16 This single volume resource provides sound up to date information and authoritative resources for research on the controversial topics of the use of marijuana for medical and recreational purposes and the effects of marijuana use on society The use of marijuana has consistently been a highly controversial polarizing and emotional topic so much so that social cultural and religious factors have largely influenced public opinion legislation and law enforcement s treatment of marijuana use At the same time much of the scientific information about the plant has largely been ignored in the policies and practices of the United States over the past 100 years Marijuana A Reference Handbook provides detailed coverage of the history and

background of marijuana use in society with special emphasis on the present day in the United States It outlines the development of federal and state legislation with respect to marijuana use over the last century focusing on changes that are taking place in the second decade of the 21st century and examines the pros and cons of the use of marijuana for a variety of purposes The book presents readers with unbiased research based information about the effects benefits and risks of marijuana use Readers will also learn about the role of hemp across human history and about very recent legislative action on the use of marijuana for both recreational purposes and medical use
