He ran his glittering amber eyes over me in appreciation You must be desperate if you come looking like this to try to distract me But don't worry I can enjoy the view and run circles around your proposal all at the same time I blushed in spite of myself but recovered quickly I always knew you were a pig Derren You don't have to go out of your way to prove it each time we see each other He grinned Oh but you really have no idea he said low enough that he was sure we wouldn't be overheard That's all I want Lacey a chance to show you just how depraved I can be One night me you and a pair of handcuffs He gestured at my chest Bring those juicy things too if you don't mind I don't know where you usually hide them A pair of handcuffs I asked doing my best to sound amused instead of intrigued I suppose you know you're not man enough to handle me unless you can tie me down He laughed You misunderstand The handcuffs aren't for anything sexual They're to keep you from chasing after me when I leave Unable to come up with a good response I gave him a sarcastic smile and pushed past him to join the defense table As I went to sit down I realized with a flush of resentful embarrassment that I was wet Derren Alcross had gotten me wet and he probably had known he was doing it too I forced myself not to look over at his lithe confident form sitting down at the table across from me It doesn't matter if you're attracted to him I told myself That won't stop you from beating him Nothing about his dark handsome face or his suave confidence or the way I found myself imagining him standing hungrily over me powerless in handcuffs none of that would distract me I told myself Notice These titles include themes and passages that have been adapted from Jessica Whitethread's Bimbo Lawyer Series with full consent of the original author
